*Proceedings of the Madras Government, Pension Department,
28th October 1872.*

Read again Proceedings of Government, Pension Department, dated 31st July 1872, No. 614 :—

Read also the following papers :—

From the Collector of Nellore, dated 1st September 1872.

„ the Accountant-General, dated 9th October 1872, No. 424.

ORDER THEREON, 28th October 1872, No. 784.

Under Sections 49 and 56 (b) of the Civil Pension Code, His Excellency the Governor in Council is pleased to grant to Nadikuppam Parthasarady Naidoo, late Sub-Magistrate and Deputy Tahsildar of Nellore Town, an invalid pension of Rupees 43-5-7 per mensem, equal to one-third of his average salary for the last five years, to which he is entitled for his service of sixteen years, eight months, and nineteen days, payable at Madras from the 29th August 1872.

2. The Accountant-General has rejected service between the 30th June and 26th August 1868, during which period the applicant was out of employ on subsistence allowance. The Government having expressly authorized the interval between the above dates being counted as service for pension, and the Accountant-General having apparently acquiesced in their decision that no reference to the Government of India was necessary, the period in question, amounting to one month and twenty-seven days, should have been included, although its inclusion or exclusion is immaterial as regards the amount of pension to which the applicant is entitled.

3. The Government having, in their Order of the 31st July 1872, No. 614, intimated that the certificate then submitted was sufficient evidence of incapacity for further service, the necessity for the production of the further certificate, signed by four Medical Officers, which now accompanies the application for pension is not apparent. The certificate is granted by the Health Officer, who is not an officer of the class specified in Section 50 (d) of the Pension Code. The countersignature of the document by both the Inspector-General, Indian Medical Department, and Deputy Inspector-General of the Division was unnecessary. Paragraph 3 of G. O., dated 28th September 1866, No. 314, prescribes that, in the case of servants drawing Rupees 50 per mensem and upwards, the medical certificate shall be countersigned by the Deputy Inspector-General of the Division, or by a Committee consisting of not less than two European Medical Officers.

Medical Certificate 21

I do hereby certify that I have examined the Sabsildar, Nadicuppan Parthasarathy Naidu, of Tanjore District being brought to my quarters by the offg. Subcollector at about 6 A.M. for that purpose. He is very stout and unable to walk the shortest distance without uneasiness - even after his walk this morning between 400 and 500 yards his skin was bathed in perspiration and his breathing much hurried. He states that he suffers from debility on account of his size; he has an eruption on the legs of long standing and the soles of both feet are much cracked. He is certainly unable to walk to any extent, and should such be required of him, I am of opinion that he is unfit for the active duties of his present post.

N. Parthasarathy Naidu
Late Thaildar of Kaniyari
Mellor District
Service 16 1/2 years.

Arrived in Madras a few
days ago on two months
furlough leave, which will
expire 31st July, to be treated
for excessive obesity, which
he finds interferes with the
active duties of a Thaildar.
He has for some years been
increasing in size, and any
slight exertion produces palpita-
tion of the heart, and
shortness of breath, he likewise
suffers from cracked sole of
the feet, chronic eczema of
the legs and feet, and dimness
of vision. I consider the
obesity to be constitutional and
likely to increase. The Civil
Surgeon of Mellor has already
reported on his unsuitability for
a Thaildar's duties from that
cause, it is my opinion
that any lighter or even
sedentary occupation would
cause an
only increase of his ailments.
and as he has served the
Government

Government upwards of 16½
years, I strongly recommend
that he should be allowed
to appear before a Medical
Board, for the purpose of
being permitted to retire
from the service on a pension.

18th July 1872.

I, Henry Hambrough, Health Officer
do hereby certify that N. Parthasarathy
Raida Ahat 43 Late Thasildar of Kancipore
Taluk, Mellore District, has been under
treatment for a few weeks suffering from
Constitutional obesity; and that he is not
likely to derive permanent benefit from
further treatment, or from change of air.
He is in my opinion, unfit for further
service; and to the best of my judgment,
such disqualification is not the result of
intemperance, or other irregular habits.

REMARKS BY HEAD OF OFFICE.

1. As to character and past conduct of Applicant.

Believed to have been good.

2. Explanation of any suspension or degradation.

The degradation on 1st April 1864 is owing to the appli-
cant having preferred the new appointment in the
permanent establishment. That on the 29th August 1868
was owing to his having forfeited the appointment
of Sahibdar in Bellary, not having passed the
 requisite test. He was re-employed as Sahibdar
on 60 Rs. vide Board's Proceedings Dated 4th June 1868.
The degradation on 7th June 1872 is owing to his
having been pronounced unfit for the duties of Sah-
ibdar by Gillah Surgeon, and appointed as sub-
Magistrate pending reference to Government.

3. Regarding any gratuity or pension already received by Applicant. See Chapter XX.

4. Explanation under Section 47, Rule 1, so far as the Head of the Office can give it.

5. Any other remarks.
