His Excellency, the Governor of
Fort St. George

The humble petition of Ahmed Ali,
Meonegar of the Salt Depot
at Baje in South Canara
District, dated 19th September 1872

Most respectfully sheweth,

That your Lordship's petitioner address-
ed the enclosed two petitions to the Government
of India, praying for the grant of a full pension,
in consideration of the services rendered by him
to this Government during the different in-
surrections which took place in this District,
but that Government returned them for
submission through the Local Government.
That thereupon your petitioner addressed the
enclosed petition to the Collector. But that

gentleman passed an Endorsement thereon stating his inability to submit his application to this Government again, as a pension has already been granted him.

That therefore your poor petitioner takes the liberty of addressing your Lordship these few lines, humbly praying that your Lordship will be pleased to take into your humane consideration the hardships endured by him in the cause of Government, as set forth in the said petitions, as well as in the translation of the documents submitted by the late Acting Collector, Mr. Webster, along with the application for pension in his favor, and be pleased to recommend him to the Government of India for a full pension, which had been granted before in the case of other servants who rendered similar meritorious services to the State at the risk of their lives, and thus protect your poor petitioner who is burdened with the maintenance of a large family, for whose support the small pension which has been bestowed on him is quite inadequate, for

which act of humanity and charity your Lordships poor petitioner as, in duty bound, shall ever pray.

Finance Department.

Sir,

I am directed to
transmit for the orders of the
Government of India, the
accompanying Memoir
from Ahmed Ali, late
Monegar of the Salt Depot,
at Baje, South Canara,
praying for the grant of a
pension equal to the full
pay drawn by him during
the last five years of his
service, viz Rupees 35 per
month, in consideration
of the services rendered by
him during the period at
which the District was
in a disturbed state.

2. The circumstances

of

of Ahmed Ali's case -
were fully detailed in
my letter of December 2nd 44.
No. 739 in response to which
representation on his behalf
a pension of half pay +
was sanctioned under date
30th idem. I am to add
that in the opinion of
this Government Ahmed
Ali's services were not
such as to call for any
further recognition thereof.

Col.

The concession then made was
merely permissive to grant
a gratuity ^{in lieu of} ~~gratuity~~ ^{which was abolished} ~~gratuity~~
of Establishment as a privilege
which could in all probability
have been secured on application
of his long service only as
which is in the opinion
of the Govt. an inadequate
recognition for the special
services rendered by him
at a time when the
authority of Govt. was temporarily
in abeyance.

2. On a ^{review of all the circumstances} ~~consideration~~ of Ahmed
Ali's case, therefore, the
Govt. in Council is
disposed to recommend for
the personal consideration
of the Supreme Govt. the
grant of a pension of Rs 25
per mensem, as a special
case, in recognition
of the good service ^{rendered} ~~rendered~~
indoubtedly rendered at a
critical time.

PROCEEDINGS of the MADRAS GOVERNMENT.

Read the following ~~letter~~ petition from
Ahmad Alli, dated 19 Sept.
1872.

Order thereon. of Oct. 28 Oct. 1872 W. 786.

Ordered that the Memorial received with the above petition be transmitted to the Government of India and that the Remission be intimated of its dispatch.

Col.

To Ahmad Alli

I should be disposed to
advocate some increase
in recognition of special
work since I am certain he
did render a valuable service
to the authority of Govt. by his personal
involvement.

That has been granted
to him & probably have been
given in any case.

He is simply permitting to depend a gratuity granted to him
his post was abolished on reduction of establishment. This reduction
also had the effect of classifying some of his subsequent service as
"inferior". His pay was R. 35. His pension is R. 17-8.

I think we might ask for R. 25. J. H. Yes 108

Note The petitioner does not appear
to have rendered any special service
such as to warrant a recommendation for grant of a
pension equivalent to full pay.
