I. W. J. Van Sonneren, M.D. Surgeon Major
1st District do here by certify that Constable No 16
men sing. No 187 of the Madras Town Police has been
under my treatment for Pulmonary Consumption from
24th February to 18th March 1872 & from 14th to 26th June 1872. He
has been on Sick leave for two months in 1872, and that
he is not likely to derive permanent benefit from
further treatment or from change of air. He is in my
opinion unfit for further service and to the best of my
Judgment such disqualification is not the result of
intemperance or other irregular habits.

2 With reference to the explanation of the cause of delay in obtaining the applicants' declaration, Major Dwyer will impress upon the Commissioner of Police the necessity of losing no further time in recording the election of every member of the force to whom an option is allowed under the new Rules. Had the requisite measures been adopted immediately upon the promulgation of the Rules as directed therein, no delay could have arisen from the cause to which it is attributed by the Commissioner of Police,

and

The Commissioner of Police immediately attributes the delay to the difficulty of procuring service from the No. 12 records, a manifest absurdity in the present case.

Cal.

and in the present instance the ~~stereotyped~~ excuse is manifestly invalid inasmuch as the applicants' service only amounts to 1 year 5 mo 18 days.

3. The Govt. desire to be informed, their program has been made in recording the election of members of the Police from the present Presidency.
