3 What Petitioner asks is a simple act of Justice to be granted a pension for the faithful services he has rendered for a period of 35 years in pensionable grades. This is a generosity which the Govt are shewing to all servants, And Petitioner cannot understand why in his single case exception should be made.

7TH DECEMBER 1872, No. 830, PENSION.

GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

READ—the following paper :—

From W. D. HORSLEY, Esq., Collector of Cuddapah, to the Chief Secretary to Government, dated Rajampett, 14th October 1872, No. 30.

I have the honor to report on petition, No. 1591 of 1872 (herewith returned), presented by Palli Hanumantha Row.

2. It was apparently the practice in this district, in former years, to offer to a Government servant, on retirement, a pension or a place for his son or other heir. It is not on record that such an option was actually given to the petitioner, but from the translation of an order, which I enclose, I infer that petitioner consented to the arrangement that he should get no pension, but his son was to be employed as a taluk gumastah.

3. Petitioner appears to have petitioned several Collectors, but to have only received one endorsement to the effect that, owing to certain circumstances, it was not necessary to recommend to Government that a pension should be given to the petitioner. He has been petitioning since 1860 to the Revenue Board and Collectors to no purpose. There is nothing on the subject in the records of this office except the endorsement I have mentioned above.

4. A list of petitioner's services can be obtained from the records, and, if necessary, a formal application for pension may be made out now and presented to Government through the Accountant-General in the usual way.

ORDER—dated 7th December 1872, No. 830, Pension.

It appears from the Collector's letter above recorded that it was formerly the practice in the Cuddapah district to offer a Government servant, on retirement, the alternative of a pension or a place for his son or other heir, and that in consequence of petitioner's post having been conferred on his son, his application for retiring allowance was disregarded.

2. The Government have already expressed their disapproval of the practice (*vide* notification, September 16th, 1870, Public department). An application for any retiring allowance to which the petitioner may be entitled under the rules should now be submitted through the usual channel with as little delay as possible.
