GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

10th December 1872, No. 836.

Pension.

Read the following papers:—

From the Collector of Coimbatore, dated 25th October 1872.

From the Officiating Deputy Accountant-General, dated 9th November 1872, No. 470.

ORDER THEREON, 10th December 1872, No. 836.

The Government observe that the applicant's case is similar to that of Anniah, disposed of in G.O., dated 22nd October 1872, No. 778.

2. The applicant was removed from his post under the fifty-five years' Rule on the 6th February 1872; on the 11th July application was made for the sanction of Government to his retention in the public service subject to annual report on his efficiency. Sanction was accorded, but on the representation of the Head Assistant Collector that Appoovier is mentally incompetent for the efficient performance of his duty, the Collector withdrew his recommendation in the latter's favor.

3. Before sanctioning the retiring allowance to which the applicant is entitled under the Rules, the Government desire to be informed whether Mr. Wedderburn concurs in the Head Assistant's estimate of the applicant's capacity. In the Remark column of the Recommendation Roll of the 11th July, it is stated that the applicant was found "physically fit" for further service both by the Collector and on examination by the Civil Surgeon; but, as the Medical Officer is bound to take note of the mental as well as the physical condition of the person submitted for examination, it is presumed that the examination was not limited to a consideration of the applicant's physical fitness, and that had he been at the time obviously incapacitated by mental infirmities, the fact would have been discovered.
