SIR,

With reference to your Memo: 19th February 1872 27,695, I have the honor to state that S. Kristnarao was on leave from 12th October 1854 to 25th October 1855. The omission of his name from the Establishment lists for 1855 was probably the result of oversight. Enclosed are translations of two original orders marked A & B in red ink; the former of which contains the sanction of the leave and the other shows when he re-joined his appointment. His leave which was originally for 6 months was extended to a little over a year as promised in the first order.

Memorandum

1. By Collector's Order No. $\frac{530}{\text{fos. }1255}$ dated Amirpur, Dharwar District 14th February 1846, applicant obtained leave of absence without pay from 26th January 1846 to 11th June 1846. On the expiration of this leave, he applied for a further extension of it of five months with a view to proceed on a pilgrimage. The Collector having declined to grant it, applicant immediately resigned and continued unemployed till 13th January 1847, under Guntur Collector's Order dated 14th January 1847.

2. On the revision of the Revenue establishment of the lat Prattipad (now Bapatla) Talug he was thrown out of employ from 15th December 1862 to 17th March 1864 and was reinstated on the following day. Vide Pay Bill for March 1864. Talug Establishment.

5 But the appointment being an acting one, applicant was again out of employ for a period of 20 days up to 13th October 1864, when he was permanently constituted the Sub-Magistrate of Tumrikodu, Vide District Gazette dated 27th October 1864 – Page 439 and Pay Bill for October 1864 Talug Establishment.

3. The applicant represents that on account of certain negligence on his part, he was suspended from service from 25th June 1845 and was reinstated on 25th January 1846, latter Order being filed in this Office.

On all accounts the period to be deducted from his service, amounts to two years 5 months, 26 days; which together wit "service before 22 years of age." "Service not in pension grades" and "leave other than privilege and preparatory leave" is 4 years, 6 months, and 5 days. His entire service therefore less by t period is 31 years, 6 months and 26 days - sufficiently lon to entitle applicant to a "good Service Pension."

Explanation of any degradation

Degraded as a punishment for having made an erroneous entry in certain accounts.

The Board do not consider that anything has been brought against Kistnárow that would justify them in declaring him unfit for future employment as a Tahsildar. It will of course rest wi himself either to take his pension, or to take his chance of re-employn which appears to be at present somewhat remote. The following Endorsement will be passed on his petitions:-

"The Petitioner lost his situation in consequence of the reduction of Establishments, and should he fail to obtain the pension for which the Board understand he has applied, his claim to re-employment will be considered like those of others in the same position as himself on the occurrence of vacancies."

Krishnarao, received with your Memo: No. 3718 dated 12th Instant, I have the honor to state that on a reference to the annual statement of Establishment of the Dharwar Collectorate for 1844/45, it appears that a person of the name of Krishnarao Venkutesh was employed as Mamlutdar of Hanagal Talooka on Rs. 125 per mensem. The Talooka of Rankkapur in which it is said that he was employed as a carcoon on Rs. 30 per mensem is not traceable in the annual Statement of Establishment of the said Collectorate for 1845/6. The statement however shows a Talooka of the name of Bankapur in which no carcoon was employed on a pay of Rs. 30 per mensem.

TO,

Acting Accountant General

Madras

SIR,

With reference to the Deputy Accountant General's memo dated 6th September 1872, I have the honor to state that from the original Hukums belonging to the Darwar District filed by Krishnarao, I find that he was there called Krishnarao Venkatesh. The latter name is that of his father, & appears to have been appended in accordance with a practice in those parts. In this part of the Country it is usual to prefix to a person's own name that of his house, while the father's name is never attached. Accordingly he was here called "Singetam" Krishnarao & his fathers name was dropped.

2 A statement showing the period of his services has ~~been~~ received from the Collector of Dharwar in February 1864 is herewith sent in original together with the Hukums+ referred to in para 1 (supra).

+ In Canarese

3 Amongst these is one numbered 478 and dated 26th January 1846 in which allusion is

made to his suspension from service; but itself being an order of re-instatement.

4. The Deputy Accountant General's states in his memo under reply that neither the man's name nor the appointment of Karcoon is shown in the annual Returns for 1st May 1845 & 1st May 1846. Applicant's name as Karkoon would not appear in the former return as he was in that year Tahsildar of Hangal Taluq as entered in the Register of application and as admitted by the Bombay Account officers. In the return for 1st May 1846, applicant's name does not appear as he was on leave immediately after the order of reinstatement. The order granting the leave is enclosed. It is numbered 530/Fasli 1255 & is dated from Amarpur.

5. The applicant received no gratuity for his services up to December 1862.
