Proceedings of the Madras Government, Judicial Department,
8th July 1871.

No. 56. Read the following letter from Colonel R. M. MACDONALD, Registrar-General of Assurances, to the Chief Secretary to Government, Fort St. George, dated Madras, 28th June 1871, No. 70:—

I have the honour to submit the following recommendations with reference to the abolition of the General Registry Office as an office of record under Act VIII. of 1871.

2. Under the Government Orders, No. 1201, of the 3rd August 1868, and No. 1927, of 21st December 1868, and the Financial Resolution, No. 3464, of 9th November 1868, the establishment is at present as follows:—

No.	Designation.	Salary.			Rate of biennial increase.
		Minimum.	Mean.	Maximum.	
		RS.	RS.	RS.	RS.
1	Manager	120	160	200	20
1	Accountant and Examiner	60	70	80	10
1	Travelling Clerk	40	50	60	10
2	Registration and Correspondence Clerks each 30, 35, 40	60	70	80	5
1	Examiner of Malayalam Indexes... ...	40	40	40	...
6	Examiners of Telugu, Tamil, and Canarese Indexes each 20, 25, 30	120	150	180	5
1	Head Peon	8	9	10	1
3	Peons, at Rupees 7	21	21	21	...
1	Sweeper	3	3	3	...
	Contingencies...	30	30	30	...
	Total...	502	603	704	...

3. The examination and arrangement of the indexes will necessarily be going on for at least three or four months after the close of the period to which they relate, and may take somewhat longer in some districts than in others. As soon as it is completed the services of the seven Examiners of Indexes and of one of the peons may be dispensed with.

4. No original registration will take place after the 30th instant. I propose, therefore, transferring one of the Registration and Correspondence Clerks on the 1st proximo to the Registrar of Madras.

5. The allowance for contingent expenditure may be reduced from Rupees 30 to Rupees 20.

6. The office will thus eventually be reduced to the scale noted below :—

No.	Designation.	Salary.			Rate of biennial increase.
		Minimum.	Mean.	Maximum.	
		RS.	RS.	RS.	RS.
1	Manager	120	160	200	20
1	Accountant and Examiner	60	70	80	10
1	Travelling Clerk	40	50	60	10
1	Correspondence Clerk	30	35	40	5
1	Head Peon	8	9	10	1
2	Peons, at Rupees 7	14	14	14	...
1	Sweeper...	3	3	3	...
	Contingencies	20	20	20	...
	Total...	295	361	427	...

7. The Travelling Clerk at present receives an allowance of 4 Annas a mile and 8 Annas a day when he is on a tour. No change need be made with regard to these allowances. The travelling allowance originally sanctioned for the peon was 3 Annas a day, and the order granting it has never been formally rescinded; but under the Financial Resolution, No. 144, of the 12th January 1870, which has never been communicated to this office, the Examiner of Claims has declined to pass more than one Anna a day for the peon. One Anna a day may be a suitable allowance for a peon moving about with a District Officer over a limited and familiar area, by slow marches and with frequent and prolonged halts, but it does not seem enough for a man who has to move over the whole Presidency continually travelling long distances and rarely halting. I, therefore, recommend that the original allowance be again sanctioned.

8. The Travelling Clerk and one of the Correspondence Clerks have on various occasions applied for Sub-Registrarships, for which they are duly qualified. I propose, when suitable opportunities occur, submitting their names to Government; and, in the event of their being appointed to Sub-Registrarships, the two senior Examiners of Indexes can take their places, but it will be impossible for me to make any provision for the remaining five Examiners.

9. The Establishment of the Registrar of Madras is as shown in the margin under the Financial Resolutions, No. 4157, of the 23rd December 1864, and No. 2597, of the 31st December 1866, and the Government Order, No. 736, of the 7th May 1868. The Clerk whom I propose transferring draws at present Rupees 30 with a biennial increase of Rupees 5. I propose that he shall retain his present salary, but recommend that the biennial increase be transferred to the office of Head Clerk, whose salary will thus rise from Rupees 40 to Rupees 50.

	RS.
1 Clerk..	40
1 do..	35
1 do..	25
3 Clerks on Rupees 20........................	60
2 Peons on Rupees 7..........................	14
Contingencies................................	16
Total...	190

10. I propose making over the original registers and indexes to the Registrar of Madras on the 1st proximo, and the abstract registers and copies of indexes from the mofussil, when the latter have been finally disposed of.

11. So large a building as that now occupied will not be required for the reduced establishment. Although no rent is actually paid because the building belongs to Government, I think the estimated rent is a charge as fairly debitable to the Department as service postage or any other similar item. I have accordingly in my Administration Report estimated this charge at Rupees 250 per mensem, which is double the sum paid for the building formerly occupied on the Mount Road. If any use can be found for this building, I think it would be cheaper to rent or build a smaller office, and it may be remarked that under the new Act the offices of the Inspector-General and of the Registrar need not necessarily be under the same roof. It has occurred to me that it might possibly be advantageous for Government to turn the present building into a Police Office, as a very heavy rent is, I understand, paid for the Police Office on the beach.

No. 57. ORDER THEREON, 8th July 1871, No. 920.

The Government approve the proposals contained in the above letter and direct that they be carried out, except as regards the peon's travelling batta, which, with reference to the Financial Resolution of the Government of India dated 31st May 1871, No. 751, will be fixed at two Annas per diem, being the rate sanctioned for the Educational Department.

2. As regards the building now occupied by the Registrar-General and District Registrar's Offices behind the High Court buildings, the Government concur in opinion with Colonel Macdonald that its transfer to the Police Magistracy and the substitution of a smaller building for the Registration Office is advisable.

3. Colonel Macdonald will state the actual office requirements of his own and the District Registrar's establishments, and ascertain whether suitable accommodation can be obtained on moderate rent together, or separately, pending the erection of an office for the Department.

4. The Acting Superintending Engineer will inspect the Government building now occupied by the Registration Department, and estimate for what would be necessary to convert it into a Police Court to take the place of the building now rented on the North Beach. He will take the opinion of the Town Magistrate as to the requirements of the Court.

Sir

I have the honor in reply to your Memorandum No. 2 of the 15th Instant to state that the services of Moonoosawmy Naidoo were dispensed with under the Government Order No. 920 of the 8th July sanctioning a reduction of the Office establishment. As explained in the statement of his services he was nominally an Examiner of Indexes, but was transferred soon after I resumed charge of my Office to the correspondence department because it seemed to me unsafe to entrust the examination of Indexes to a person who was unable to undergo an examination in the Registration

Act.
