Takes No. 59 dated 25th March 1872 from W. S. Foster
Esquire to Kurnimul Kaim Talisildar of Alur.

The resignation of Bhujinga Revenue Inspector, 2nd Class.
dated 18th instant has been received.

He has stated in it that he has resigned
his appointment, as ordered by me owing to delay
in collecting the Mera fees of the Village officials
of Chippugini.

Upon your reporting in Arzi No. 237 of 1871
that the Inspector in question could not discharge
his duties properly because of old age, he was
directed to apply for pension in Order No. 223 of
1871. As he did not do so in spite of this order,
Order No. 306 dated 13th November 1871 was passed
to the effect that should he act negligently in any business, he would not
only be removed from his post but would
also be deprived of his pension.

Though warned thus, he has not properly
served a Distract Order for collecting the
Mera fees of the village officials of Chippugini
which was furnished 8 months ago, and has
allowed it to lie on hand. He has also neglected
to report cause of the delay, thus causing the
removal of property which would have been
liable for recovery of the Mera. The resignation
has also been impermissibly worded. For
this reason he is dismissed. You will there-
fore omit his name from the Pay abstract
from

I think that the order dismissing him because the wording of the document was not approved of, was a little harsh. Up to that time his faults had been overlooked and he was just about to get a pension when for one fault, that of the wording of his resignation, he is deprived of the benefit of his whole previous service. I cannot uphold this order. As the procedure of the Sub Collector was wrong, in that he should have sent Baijunga Row for the Medical Officer's certificate before he retired, he being under thirty years service, the man must now be restored to the service. He will be now ordered to produce the usual Medical Certificate; if he obtains it, the usual application will be made to Government for a pension.
