Reply

There is nothing on the Records to show that applicant first resigned his appointment of Daloyet to join that of Superintendent of Post-Runners. On the other hand it appears that he was transferred to the latter appointment by the Collector —

FROM THE ACCOUNTANT GENERAL

29 August 1872.

TO THE GOVERNMENT OF MADRAS,
To The Officiating Collector of Tanjore.

Vide your office application for an inferior pension on behalf of Syed Kaspain Bib.

The undersigned has the honor to request explanation on the following points:

1. Why was the applicant's name entered in the annual return of May 53 as Taka Kaspain and in those of 1854 and 1855 as Shaito Kaspain instead of Syed Kaspain as shown in the Service Register.
2. Why was the applicant's service as Tappa Pignet or Supt of Post-Runners shown in the Column for "Period reckoned as service" instead of in the next column as service on that establishment does not appear to qualify since it was paid for at certain rates & not by a fixed salary. If the establishment was a permanent one please forward copy of Govt Order under which it was established. Copies of Orders of Govt if any & those of Applt's official superiors (with translation) which threw the Applt out of employ on five different occasions should be submitted.

I have the honor to furnish you
with the following explanation on the points
referred to in Deputy Accountant General's letter

1st The name of the applicant is correctly
entered as Syed Hussain in the Family Pay
Abstracts but those given in the Annual returns
of 1853-54 & 56 are incorrect -

2^d The applicants service as Tappal
Paigast or Superintendent of Post-Runners is
of a temporary nature and was by an oversight
entered in the column "Period reckoned as service".
Translations of orders relative to applicant being
thrown out of employ on different occasions
accompany, with the exception, however, of

3. What was the cause of nearly 7 months
delay in the submission of the App. form.
The applicant appears from the service
Register to have ceased to do duty from
15 January last.

order dated 13 April 1872 stated to have
been produced by the applicant.

1st to 15th January 1841 as the same is not forthcoming in the record.

3^d On the 15th January 1872, applicant requested permission of the Head Assistant Collector to resign his post on account of ill health. His resignation was then unconditional. As he had been in failing health during the last year and as further he was known to be infirm and unfit for his duty, his name was ordered to be struck off the list of Establishment from the 15th January 1872. On his subsequently applying to the Head Assistant Collector for pension on the 18th January 1872, however, orders were sent to the different Taluqs and the Nazim Record Keeper for the returns of his services. The new Pension Code although bearing date the 10th January was published only in the Fort Saint George Gazette of the 30th idem. Its provisions were not then known and it was therefore only after the receipt of the service lists from the different

quarters at the end of March 1872, that the new code was consulted regarding his case and he was ordered to appear before the Pillah Surgeon for medical examination: applicant produced the medical certificate on the 27th May. A space of nearly 2 months was occupied in the preparation & verification of the applicant's service and an application in the prescribed form was drawn and submitted to the Collector's Office on the 10th August 1872. Copy of Mr. Kindersley's order dated 18th April 1838 and not 13th April 1838 is also herewith forwarded.

J. H. M. G. Archdall Gillah Surgeon
of Tranguhar, do hereby certify that I
have carefully examined Syed Hussain Sahib,
Duffadar of Sheally Saluk of the Collector's
Establishment Tanjore District, that his
age is, by his own statement 63, and by appearance
about 70, and that I find him to be unfit for
further service, from old age & infirmity, the
result of natural causes, and not, in my opinion
attributable to intemperance, or other irregular
habits.

To The Collector
of Tanjore

Sir I have the honor to forward herewith
an application in the prescribed form for
Invalid Pension on behalf of Syed Hussain
Sahib, late a Duffadar in Shealli Taluq.
2 I have to point out that the date
of end of service is put down as 14th January
1872, whereas the date of the Jillah Surgeon's
certificate is 27th May 1872. The applicant
had been in failing health for the whole
of his last years service and on the 15th January
1872, he applied to be allowed to resign
on account of ill health. As he was known
to be infirm and unfit for duty, his name
was ordered to be struck off from 15th January.
His resignation is unconditional and strictly
speaking he is not entitled to pension or
gratuity, but on his subsequently applying
for a pension on the 15th January, an order
was sent to the Taluq and other places for
a return of his services and he was ordered
to appear before the Jillah Surgeon for medical
examination —

Had

3. Had he obtained his sick certificate before asking to be allowed to resign, he would under the new Civil Pension Code, have been entitled to a pension as now recommended. The Code although bearing date 10th January 1872, was not circulated until some weeks later and its provisions were therefore unknown. Under section 72 sub Note 2 it is provided as follows "If the application is for an invalid pension, or gratuity, the requisite medical certificate should be attached to the application; but if omission has been made in this respect, the Local Government may accept a certificate bearing subsequent date."

4. The case is therefore submitted for indulgent consideration on account of the long and faithful service of the applicant -
