I, Robert Wilson, M.D. Surgeon
and Civil Surgeon Buddalore, do hereby
certify, that I have carefully examined
Rama Row, 7th Gromastah of the Chilla-
-mbarum Taluk South Arcot.; that
his age is by his own statement 56 years,
and by appearance about 60 years, and
that I find him to be unfit for further
service on account of defective vision and
chronic Rheumatism, not likely to be
remedied by medical treatment, and
which renders him unable to discharge
the active as well as the sedentary duties
of his appointment. To the best of my
judgment, the cause of disqualification
is not the result of intemperance or other
irregular habits.

Collector's Endorsement
of the same to the same
and being of the same tenor

In his diary for April 1849,
Captain Birdwood observed that the
Taluk Sheristadar of Boonagery had
framed an Estimate for the Clearing
of a Channel which he knew full well
ought always to be kept clean and
in order by the ryots themselves and
that he remarked this to the Maramah
Gumasta told him that such was
incorrect and expressed his intention
of visiting the Channel in a day
or two, neither the Clearing of the Channel
nor repairs to any extent having been
Commenced at the time. Great was
my astonishment however this morning
Says Captain Birdwood on inspecting
the wallajah Tank Bud to find that
the Channel had only just been cleared
out. The Taluk Maramah Gumasta
must, after I had spoken to him
on the subject, have immediately given
intimation

intimation of the same to the Taluk
Sheristadar. On the strength of the
above remarks of the Engineer and
his letter No. 175 dated 13 May 1849
Mr. Davis addressed a requisition
to the Sub Collector under date 18 May 1849
for the dismissal of the Taluk Sheristadar
and the Marambat Gumbastan. The
Sheristadar's punishment however was
subsequently mitigated to 6 months
suspension under orders of the
Board, and petitioner now prays
that similar indulgence may be
extended to him. I would beg
to recommend his prayer to the
favourable consideration of the Board.
