I Robert Edmund Pease
Jillah Surgeon of Salem do hereby certify
that I have carefully examined one
Meerameenudin late Gornastah of the
Kamakkul Salug. His age by his own
statement is 48 and by appearance 55
and I find him to be unfit for further
service owing to partial paralysis and
loss of control over the movements of the
right arm & hand - not in my opinion
attributable to intemperance or other irregular
habits

FROM THE ACCOUNTANT GENERAL

TO THE GOVERNMENT OF MADRAS,

To The Collector of Salem.

Re: Office application for pension
on behalf of Salem Inceramanda in suit.

The undersigned has the
honor to require what leave the
Applicant enjoyed from 21 February
last to 9 April 72, as from Pay Bills
of Feby: March, and April, he appears
to have drawn only a moiety from 21st
to 25 February, no pay at all from 26th
to 29 February, and moiety for the whole
of March and for 9 days of April. Nothing
is shown in the Service Register except
that he drew full pay upto 9 April.
It should be stated also why the
Applicant was retained in Service
upto 9 April while the Medical
Certificate was dated 25 March last.

Reply to the Accountant General's Memo, dated,
26th September 1872.

The Collector, when on Circuit, ordered the Applicant to apply for pension as he seemed to be in a bad state of health and consequently unfit to discharge properly the duties entrusted to him. The Applicant appeared before the Hilla Surgeon who wanted to ascertain if the malady was of a permanent nature and kept the Applicant under observation. Under the above circumstances, Mulla Minooden Saib was permitted to draw half pay during the period he was under treatment, as the case was analogous to that of a person on sick leave. It is stated that he drew no pay between the 26th and 29th February, but his moiety of pay during those days was recovered from the acting incumbent and paid to him.

2. After obtaining the Medical Certificate, the Applicant, hearing that his father was dangerously ill, went away to Pollachi and after his return thence, tendered his resignation. Hence the difference between the date of his medical certificate and resignation.

From

The Collector of Salem,

To

The Accountant General, Madras.

Sir, I have the honour to forward two applications for pension on behalf of Gouin Westmook Annoda Row, late gunasta in the Namunt Taluq, and Salem Meera - minooden Saib also a late gunasta in the Namunt Taluq.

2. The former of these, being upwards of 55 years of age, retires under clause 1, Section 53 of the Civil Pension Code, and I am able to state that the applicant is unfit for further service. The reduction of pay in his case on 1st January 1862, from 14 rupees to 12 rupees, was on account

of

of

of the revision of the Sahy. Establishment.

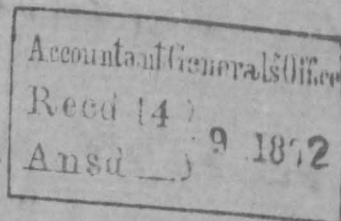

3. An invalid pension under section 49 is applied for on behalf of Meeramir - wooden Pains, and a Certificate of his incapacity for further service is herein enclosed.

4. As the various particulars, required by the new Pension Code had to be obtained, and as the services of the two individuals had to be verified both from the Sahy and Huzur Records, the delay in submitting these applications has occurred.

I have the honour to be
Sir
Your most obedient servant
