N^o 21. Reply.

The delay in the submission of application is attributable to the necessity of searching the records &c. for the past services of the Individual, and also to his non-appearance for some length of time before the undersigned.

Copy of order dated 19 May 1862 No. 43 with translation as regards applicants suspension is forwarded. No order for reinstatement appears to have been issued, as naturally on the expiration of 3 months, the individual entered upon his duties.

Translation of an order No 43 dated 19th May 1862 from A. Wedderburn Esquire Collector of Cuddapah to the Tahsildar of Pulivendala Talug.

Read your Wryzes Nos 83 and 93 addressed to the 2^d Class Deputy Collector, and his yadast No 83 there upon.

It appears from the list that accompanied your Wryze that only two villages have been surveyed. It is inferred therefrom that you, who ought to have read and carried out the instructions respecting the sudden survey, published in the Gazette, as the Head of the Talug, have neglected to do so. It also appears that a reminder was sent to you by the Deputy Collector, as you had not replied to his order issued in January until the 3rd April.

Your Chief fault consists in omitting to carry out the orders in this matter so lucrative to Government, and in which you must have yourself taken such deep interest, even although you had been constantly reminded by the Deputy Collector. For this fault you are fined (10) ten Rupees this time. Any such dereliction of duty which may be hereafter noticed in your conduct will immediately be brought to the notice of the Board of Revenue.

If you had learnt to distribute
