I W. J. Vandomeren M.D., Surgeon Major
1st District do hereby certify that Constable Thagayen,
No. 327 of the Town Police Force, has been under my
treatment from 1st September to 10th October 1872 for
disease of the left testicle, and that he is likely to
derive permanent benefit from an operation, to which
he refuses to submit, and is not likely to derive be-
nefit from change of air. He is in my opinion, with
the present disease, unfit for further service, and
to the best of my judgment such disqualification is
not the result of intemperance or other irregular habits.
