*Proceedings of the Madras Government, Pension Department,
9th March 1872.*

Read the following letter from the Officiating Additional Under Secretary to the Government of India, Financial Department, to the Chief Secretary to Government, Fort St. George, dated Fort William, 15th February 1872, No. 1150:—

The Governor-General in Council has had his attention drawn to the Order of the Government of Madras, in the Pension Department, No. 228, dated 4th August 1869, declaring that Moochees in public offices who are required to bind books in addition to their ordinary duties are, if permanently employed, and in receipt of pay exceeding Rupees 10 per mensem, eligible for pension on the superior scale. His Excellency in Council desires me to say that, in accordance with the Orders of the Secretary of State, admitting book-binders to the benefits of the Uncovenanted Service Pension Rules, only those persons can be admitted whose professional employment is purely book-binding and connected therewith. A Moochee who occasionally does book-binding in addition to his other work is not a book-binder permanently employed, and accordingly he has no claim to be regarded a superior servant.

2. I am to request that the Orders of the Government of Madras of 4th August 1869 may be withdrawn.
