*Proceedings of the Madras Government, Pension Department,
31st July 1872.*

Read Proceedings of the Board of Revenue, dated 1st June 1872, No. 3926.

ORDER THEREON, 31st July 1872, No. 614.

The Government are of opinion that a certificate of inability to discharge the active as well as the sedentary duties of a post is sufficient evidence of incapacity for further service.

The terms of Section 49 of the Civil Pension Code are sufficiently wide to include such a cause of disqualification, whilst the latter clause of Section 52 vests the Government with ample power to decide on each particular case.

2. The Collector of Nellore should be instructed to submit an application for any retiring allowance to which Parthasardy Naidoo may be entitled under the rules.

3. The Inspector-General, Indian Medical Department, will be requested to amend the prescribed form of medical certificate so as to provide for cases in which the incapacity is of the nature above mentioned.

Sir,

I have the honour to
submit for the sanction of Govern-
ment the undermentioned 9

Applications for pension and gratuity:

- (1) Ramakrishnan, Revenue Inspector
for pension.
- (2) Ismail Khan, Peon, for pension.
- X (3) Salem Ramaswamy Naider, attendar
for pension.
- (4) Salem Syed Peer, attendar for gratuity.
- (5) Lotay Ramaswamy, attendar for gratuity.
- (6) Salem Sheik Surur, Peon, for gratuity.
- X (7) Ramakal Abdul Khandar, attendar,
for gratuity.
- X (8) Shaik Fathum, Peon, for gratuity.
- (9) Hajiri Naick, Peon, for gratuity.

2. Medical certificates for all the above cases are enclosed. In the case of Ramakrishaym, the Zillah surgeon having in the first instance declined to grant him a medical certificate, I was obliged to draw his attention to the Government Order quoted in the margin. Hence the difference between the date of his retirement and that of his medical certificate. As regards the other applicants, they were directed to appear before the Zillah surgeon, and certificates were granted as they went to him.

I request your attention to my remarks under the head of "any other remarks" in page 3 in the applications of Ramakrishnaiah & Ramakal AbdalKhader and trust

You will submit to Government the advisability of not adhering to the strict letter of the rule in such exceptional cases as these.

4. In conclusion, I regret the delay in forwarding these applications, but it was unavoidable, as the services extending over 40 years of so many applicants had to be ascertained from the old records of the office, and the information required on the various points mentioned in the Civil Pension Code had to be obtained.

CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

Certified that (subject to the remarks below recorded) qualifying service in {inferior} grades has been duly proved for 17 years 8 months and 27 days; and that a ^{pension} gratuity not exceeding Rs. 25 is admissible under Section 63 (a) of the Civil Pension Code. The calculations have been duly verified.

The applicant does not appear to have drawn gratuity for his service from 8th November 1850 to 1st October 1850.

The reason of difference between the applicant's date of retirement and that of his final discharge is explained by the fact that the applicant was employed as a clerk in the office of the District Collector from 1st October 1850 to 1st December 1850 and was not paid for his services during that period.
