inform him whether the above
named individual is just the
person alluded to in Govern-
ment Order No. 1807. Dated 30 July 72.

Doolittle's arm 15 February 1873.

In reply to your letter of the 7th Instant, I have the honor to inform you that M. Pannish therein alluded to, is the same person, I was ordered in G.O. of the 30th July last, No 1801, to transfer to another post, or to remove from the Department.

2 My reasons for not having adopted either of the above courses are that I found a change for the better in the man, and as the reorganization was then shortly expected, he would have stood a better chance of securing a pension on the abolition of his appointment.

Shew the honor to be
