PROCEEDINGS OF THE BOARD OF REVENUE, dated 8th July 1871.

Read the following letter from J. H. GARSTIN, Esq., Collector of South Arcot, to the Acting Secretary to the Board of Revenue, dated Cuddalore, 2nd June 1871, No. 170 :—

As directed in the concluding paragraph of the Board's Proceedings, dated 29th March last, No. 1,383, I have the honour to submit proposals for a complete revision of the Talook Tappal Establishment of this district, with reference to the principles therein laid down.

2. The accompanying tabular statement shows at a glance the present and proposed establishments at each station and on each district line. It will be seen that the proposed changes result in a net saving of Rupees 1,548 per annum, which, large as it may appear, seems to me perfectly feasible without in the least impairing the efficiency of the department.

3. The following details exhibit the mode in which this reduction may be effected :—

	Reduction.
1st. By transferring to the Imperial Post Department the Runners between Cuddalore and Virdachellum, and Virdachellum and Chellumbrum, where General Post Offices have been established	60
2nd. By doing away with a District Post Goomastah and Peon at Villapuram, and District Post Office Delivery Peons at Tindevanum, Chellumbrum, and Virdachellum where there are General Post Offices.	27
3rd. By closing a District Post Line between Cuddalore and Tindevanum via Villapuram	20
4th. By do. do. between Tindevanum and North Arcot frontier	10
5th. By dispensing with a Goomastah and Peon of the Cuddalore Talook employed under the Huzur Goomastah, and the Goomastah at Gingee...	22
6th. By reduction in the number of Peons of the Huzur Post Office	5
7th. By transfer of the District Post Office at Trivady to Oolundoorpett...	12
Total...	156
8th. Deduct increase by the proposed establishment of a district line between Trivady and Oolundoorpett	27
Net saving per month...	129
Do. per annum...	1,548

4. The first of the foregoing items relates to the district lines between Cuddalore and Virdachellum and between Virdachellum and Chellumbrum. There is a General Post Office at each of these stations, and therefore the district runners on those lines should be transferred to the Imperial Post.

5. The delivery peons of the District Post Offices can be dispensed with at all the General Post Office stations, as letters, etc., received at those stations by the district mails can be delivered by the peons of the General Post Office within their respective delivery ranges. As regards the delivery of letters and District Gazettes in villages, the Board suggest that the village establishments should be utilized, it being clearly impossible, as the Board remark, for a single peon to deliver the letters, &c., in a whole talook. The system at present prevailing with regard to the delivery of private letters in the talooks is to engage special messengers to distribute them, remunerating them by allowing them to demand quarter of an anna as a delivery fee on every letter delivered, and in this way the letters are distributed without any cost to Government or inconvenience to the village establishments; and I think this plan might continue to be acted on with advantage, as it works well and has the sanction of Government—(Vide G. O., 30th April 1867, No. 968.) District Gazettes might be made an exception, and these could be distributed without trouble by the village officials.

6. As regards the District Post Goomastahs at the General Post Office stations, I do not see how they can be dispensed with except at Villapuram, where by the closing of the District Post Line to Tindevanum on one side and Cuddalore on the other, this man will have no work to do, but at Chellumbrum, Virdachellum, and Tindevanum, there will be enough work to employ the Goomastah as he will have to close and despatch the district mails from those stations, as there are district lines branching off from each of them, viz., two from Tindevanum, one from Chellumbrum, and two from Virdachellum. I believe it is not intended that the work in connection with these district mails should devolve on the General Post Offices, but if it is so intended, these three Goomastahs can be dispensed with.

7. The third item of saving is by closing the district line between Cuddalore and Tindevanum via Pattambakum and Villapuram. This line has been rendered unnecessary by the establishment of a General Post Office at Villapuram, and in future the postal communication from Cuddalore to Villapuram can be by the General Post Line via Tindevanum. I do not see the use of a direct Post line between Cuddalore and Villapuram, for though the route via Tindevanum is circuitous, the greater expedition with which the general post travels as far as Tindevanum by the mail cart is a compensating advantage, and thus the general post via Tindevanum reaches Villapuram in about the same time that the district post takes to go there direct.

8. The fourth item of saving requires no particular explanation, as the lines between Wandewash and Tindevanum will be abolished under the orders contained in paragraph 7 of the Board's Proceedings under reply, and the two runners on that line in the Tindevanum Talook will be dispensed with.

9. The Goomastah and the Peon of the Cuddalore Talook, though borne on the establishment of that talook, have always done duty under the Huzur Goomastah. My impression is that the work in the Huzur Tappal Office is not so heavy as to require this extra aid, and I have therefore included them in the reductions recommended. I am also of opinion that three delivery peons are not required for the Huzur Office. Ordinarily the delivery peons of the Regular Post Office may be employed in delivering any letters, &c., which may be received by district mails from the several District Post Offices, but as this will add considerably to the delivery work of the Regular Post Office, and as their range of delivery is limited, some peons are required at the Huzur District Office for delivering letters, &c., in villages just outside the Municipal limits; but for this work two will suffice in my opinion, and I have accordingly entered one as a reduction that might be made.

10. The Goomastah at Gingee may also be dispensed with as he has but one mail to attend to, and the work connected with this can be performed by the letter peon in addition to his delivery work in the same way as at Merkanum where only one delivery peon is allowed by whom the mail to Tindevanum is closed and despatched.

11. The last item in the list relates to the proposed establishment of a District Post Line between Trivady and Oolundoorpett. There is a General Post Office at the latter station, and the line now forms a portion of the General Post Line between Cuddalore and Oolundoorpett. Oolundoorpett is no longer a place of importance, and not more than four or five letters daily are conveyed to and from that station. The retention of a General Post Office at the place is therefore quite unnecessary, and it has already been suggested that it may be closed. I have addressed the Inspecting Postmaster in view to this change being effected simultaneously with the proposed establishment of a Regular Post Office at Trivady. This place is close to Panrootty, a large and important town, and the seat of all the grain trade from the west of the district, and therefore I am of opinion that a General Post Office may be established at Trivady with advantage.

12. When these two changes are carried out, viz., the abolition of the General Post Office at Oolundoorpett and the establishment of one at Trivady, and the transfer of the District Post Office from Trivady to Oolundoorpett, the line between Trivady and Oolundoorpett will become a District Post Line, and I have therefore provided for runners on this line while the line from Cuddalore as far as Trivady will continue as at present a General Post Line.

13. The only other point for notice is the necessity for a District Tappal Goomastah at the Collector's head-quarters. I do not see how the services of this individual can be dispensed with. There are no less than eleven Talook Tappal Offices in the district, besides salt and land customs stations, to each of which a good deal of official correspondence has every day to be despatched, and the closing and despatching of these mails is certainly enough work to afford full employment for one Goomastah, and I therefore recommend his retention.

ENCLOSURE No. 1.—Tabular statement of present and proposed establishment.

This letter will be referred to the Postmaster-General, who is requested to favour the Board with his opinion on the changes proposed by the Collector of South Arcot.

2. Under the circumstances stated the Board will not press the abolition of the District Tappal Goomastah at the head-quarters of the district.

3. The changes now proposed appear to have been carefully considered and matured.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 7th November 1871.

Read the following letters:—

From J. H. GARSTIN, Esq., Collector of South Arcot, to the Acting Secretary to the Board of Revenue, dated Cuddalore, 9th October 1871, No. 337.

The Acting Head Assistant Collector having brought to my notice in his letter, of which copy is enclosed, the necessity for employing an additional runner on the District Post line between Tindevanum and Merkanum, a distance of 22½ miles, I have the honour to request that in the scale of revised Tappal Establishments, submitted with my letter recorded in Board's Proceedings of 8th July last, No. 2,819, provision may be made for five runners instead of only four on the line from Tindevanum to Cheyoor via Merkanum, and I have, in anticipation of the Board's approval, transferred to this line one of the two runners thrown out of employ by the closing of the line between Tindevanum and Wandiwash.

2. As regards the Head Assistant Collector's proposal to employ the other man as an additional Delivery Peon at Tindevanum, I have informed him that I am unable to acquiesce in his recommendation, as the delivery work at all General Post Office stations should be performed by the Delivery Peons of the General Post Office.

ENCLOSURE No. 1.

From G. K. CHAMBERLAIN, Esq., Acting Head Assistant Collector, to the Collector of South Arcot, No. 271.

I HAVE the honour to forward an Arzi, No. 42, from the Tindivanam Tappal Goomastah, in which he brings to notice the abolition of the District Line of runners between Tindivanam and Wandiwash, and to recommend that his proposition to employ one of the two runners thrown out of work in consequence on the line between this and Merkanum, and the other as additional letter distributor at this place, should be adopted. You will observe that the distance between Tindivanam and Merkanum is 22½ miles, and that as there are only three runners on that line the average stage amounts to (7½ miles) seven miles and four-ninths, being two miles in excess of the average prescribed by paragraph 5 of the circular order of the Board of Revenue, No. 24. The work of distributing letters at Tindivanam also is very heavy for one peon, which occasions much delay.

(True Copy.)

(Signed) J. H. GARSTIN,
Collector.

From Colonel A. C. PEARS, Postmaster-General, to the Secretary to the Board of Revenue, dated Madras, 9th October 1871, No. 2,938-239-L.

With reference to the Board's Proceedings, Nos. 2,819 and 3,277, of the 8th July* and 4th August 1871, I have the honour to state that I see no objection to the changes proposed by the Collector in the District Post arrangements of the South Arcot District.

* Enclosure returned.

2. The District Post Offices at Villapooram, Chellumbrum, Virdachellum, and Tindevanum may be closed; but it will be necessary that the Delivery Peons belonging to them be sent to do duty at the Imperial Post Offices at the same stations, and that their pay be disbursed by the Revenue Department, as at present, until sanction of the Director-General of the Post Office can be obtained for the same being borne on the establishments of the Imperial Department.

3. The runners between Cuddalore and Virdachellum may also be transferred to the Imperial Department, but their pay also should be disbursed by the Revenue Department, as at present, until it is sanctioned by the Director-General of the Post Office.

4. I, however, do not see the necessity, for the purposes of the Imperial Post, of the runner line between Virdachellum and Chellumbrum, as a line of Imperial Post already exists between Cuddalore and Chellumbrum.

5. The District Post line between Villapooram and Tindevanum, if not already closed, may be abolished at once.

6. Steps are in progress for opening Imperial Post Offices at Trivady and Punrootty. When this takes place, the Post Office at Oolundoorpett will be abolished and notice given to the Collector with a view to a District Post Office being opened at the last-named station and the Imperial line thence to Punrootty or Trivady being converted into a District Post line.

ENCLOSURE No. 1.—Statement.

COMMUNICATED to the Collector of South Arcot, who will consider if it is desirable to discontinue the line between Virdachellam and Chellumbrum as suggested by the Postmaster-General in the fourth paragraph of his letter.

2. The proposals made in the Collector's letter are sanctioned.

The appointment held by Cappa Renu, which was that of a letter peon and
 as Cappa Renu as stated in the Register from 16th August 1862 to 31st July 1864, was at
 that time temporary pending the revision of the orders of the Revenue Establishments: Vide orders
 Government dated 5 December 1860. His appointment was subsequently included and sanctioned
 in the Memorandum of Mr. Pelly's scheme. Vide his Circular dated 19th July 1864 No. 1733
 Applicant's service in it was taken in the Column headed "Period
 reckoned as service."

In the Pay Abstracts received from the Salary for the
 period referred to the Applicant was designated "Cummata or letter peon"
 and this was probably in consequence of his having, at the time
 been doing the duties of Cappa Renu under the orders of the Collecting
 but as the appointment actually held and the salary drawn for the
 period was that of a letter peon it is requested that the designation of
 the applicant's appointment may be altered in the Register to "Letter peon".
