2. The Kundapura District was attached to North Canara until 1862 when it was reannexed to this Zillah. Its name was never changed.

3. As the rules require a Medical certificate to be sent, the man was referred to the Zillah Surgeon who however furnished a certificate declaring him fit.

for

Honoured Sir,

I beg most respectfully to represent that in December last the late Civil Judge addressed an order compelling me to retire and apply for pension on the single ground that I had just completed the 55th year of my age, upon which I subsequently represented by a petition that I was perfectly fit physically and mentally to perform my duties efficiently for 5 years more, and that it was but just that I might be allowed to continue in my post.

My representation was not heard; but I was ordered to make an application at once for pension and to obey the order and avoid incurring any displeasure and to accept the grant of even any pension which may perhaps result from such displeasure. Accordingly I submit the application which I hear is about to be forwarded to you. I was lately required to produce a medical certificate. The certificate granted by the Civil Surgeon declaring that I am unfit for further service I produced and again represented to the Hg: Civil Judge that according to the last para of Government Proceedings dated 30th September 1872 in the case of Kerala Varma Court Guardian Murthiappa I was entitled to be reinstated, but my prayer was not heard & the application for pension, I hear is being forwarded to you.

I am a person burdened with a large family for the support of which I entirely depend upon the pension I am having no other property for subsistence

and on the other hand the greater part of my service being in inferior grade, I am not entitled to half of my present pay, and the compensation allowance is scarcely sufficient for bare necessities of life. I also fear that in consequence of the medical certificate recommending my fitness I might be against rules to grant me even the allowance in which case I will have to go a-begging after serving faithfully for 37 years; and I hope it can never be the intention of the Government or any other officers that it should be the case of a Government servant.

I therefore humbly beseech your Honour, to interfere on behalf of a helpless servant and by reference to the Government in connection with my pending application and calling upon the Hg: Civil Judge to explain why my application was forwarded in defiance of the Government Proceedings above referred to, to obtain orders for my reinstatement; and I shall as in duty bound ever pray.

I beg to remain
Honored Sir,

servant
