Kalun Collector's Office
Camp Jerenu, 3rd February 1871

From

The Collector of Kalun.

To

The Accountant General
Madras

Sir,

I have the honor to reply
to your Memo, dated the 3rd December 1870.

2.

In the Vernacular List of
Servants for 1875 kept in the Office, the
name of Krishnappaiah is entered as
such, but in transcribing it in English,
the name seems to have been erroneously
entered as Krishna Row. A similar
mistake has occurred in 1861.

3.

The name of Siva Row is
written in the office Copy of the List of
Servants for 1840 as Seeneera Row
and corrected into Seera Row. The

Yours

Your Letter to your office should have been similarly altered. I presume Seenevassu Row mentioned in your Memo is a clerical error for SeeneeravRow.

4. Siru Row was appointed as Amin of Bagalore Police by Mr. Brett, a former Collector of this District.

Translations of his orders giving full particulars of the Circumstances of the case are enclosed for your information.

It will be seen from these that Siru Row was Acting Javabaniwese from 11th

July 1855 to 31st January 1856. I

request you will make this entry in

the Service List on the 2nd page of the application. The post of Amin being

a temporary one, it is but natural

that Siru Row should, after a time,

revert to a permanent appointment,

although the Salary of the latter may be lower.

5. In reference to your remarks in the case of Venketa jiri Naiken, I beg to state that it is very hard for a person to serve Government for upwards of 42 years and then when he is incapable of working any longer to be turned adrift without any allowance to support him during his old age, simply because there is a break in his Service, especially when the total period of the break is deducted from the whole length of his Service. I request Government will make this a special case, and grant to Venketa jery Naiken the pension asked for.

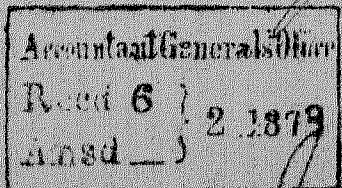

6. The Salary of Atteghery was formerly

known as Tenjāricottah. The delay
of 19 days in the medical certificate
of Chinnappen was unavoidable, as
he had to come down from Attengori
to obtain it. The applicant's full
correct name is Chittannir Gollaputty
Chinnappan, but as he was usually
called Late Chinnappen, it was
entered in the Nominal Rolls.

7 The Services of Kristanappa
extend over upwards of 32 years and
verifying them from the records of
the office has taken much time.

I have the honour to be
Sir

Yours most obedient servant

Report of the Offg Dy Accountant - 11th February 1873 No 181

Order thereon, 20th March 1873 No 181

102

Application is made for the grant of an invalid pension on the inferior scale to Venkatasami Sankaran late peon in the Razipoor Sub Magistrate's office, Salem District, whose total service amounts to 42 years and 12 days, but, in consequence of a break of 7 years 1 month and 7 days caused by resignation, the applicants

Service

Service prior to the 7th
October 1868 is vitiated,
and his qualifying service
reduced to 3 years 7 months
and 25 days, which does
not give a title to any
retiring allowance under
the Rules.

2. The Collector
urges the hardship of
turning adrift without any
allowance one who has
served Government for
upwards of 42 years, and
recommends that as a
special case an inferior
pension of Rupees 3 be
granted. The Government
are not prepared to admit
the hardship of the
applicant.

applicant's case; he must
have been well aware
at the time of his resignation
that he forfeited all
claim to pension thereby,
nevertheless he voluntarily
waived his title; further,
at the time of his resignation
he would have been entitled
by length of service to an
inferior pension had he
been able to procure a
medical certificate, but
the fact that he was re-
employed seven years after,
negatives the supposition
that he was worn out
~~when he resigned~~
and there is no apparent
reason why the Government
should now concede what
they

They would assuredly not
have granted them.

Accordingly the Government
declines to accede to the
Collector's recommendation.

Cal.

Note. The hardship
really lies in the Rules
which do not admit of
the grant of retiring
allowance to inferior
servants; hence, they
must serve until they
are worn out. The scale
for

230
for inferior service is
capable of improvement
in other respects also, but
the rules must, I presume,
be maintained.
