Pension.

Read the following papers:—

From the Acting Collector of Ganjam, dated 25th November 1872.
From the Officiating Deputy Accountant-General, dated 17th February 1873, *No.* 102.

ORDER THEREON, 22nd March 1873, No. 188.

Application is made for the grant of an invalid pension to Mahomed Ajeem, late Duffadar on the establishment of the Collector of Ganjam, whose total service amounts to thirty-six years, three months, and twenty-eight days. The Officiating Deputy Accountant-General has, however, rejected a period of five years, six months, and twenty-one days in consequence of a break in the applicant's service amounting to five years, three months, and two days, which the Acting Collector alleges to have been due to absence prolonged after sick leave, but which, in the opinion of the former officer, seems rather of the nature of resignation or dismissal. The applicant's service is consequently reduced to thirty years, nine months, and seven days, and he becomes entitled to a gratuity of Rupees 84 only.

2. In consideration, however, of the applicant's long service and excellent character, and the very strong recommendation made on his behalf, the Government are pleased to give him the benefit of the doubt and to regard the break as coming within the provisions of Section 44 (*b*). Mahomed Ajeem is accordingly entitled to an invalid pension of Rupees 4, payable from the 1st October 1872, which is sanctioned.

REMARKS BY HEAD OF OFFICE.

1. As to character and past conduct of Applicant. {Has been always [illegible] and has had a Certificate for meritorious conduct but has not risen above some others & had [illegible] Revenue Board who had a very high opinion of Applicant. There has never been punishment of any kind inflicted on him as far back as the records of this office go.

2. Explanation of any suspension or degradation. {No suspension. The [illegible] shown in the 2nd and last [illegible] owing to the provision of Colr Establishment and that [illegible] quence of illness. [illegible] appears to be the result of overstaying his leave in consequence of illness 657

3. Regarding any gratuity or pension already received by Applicant. See Chapter XX. None

4. Explanation under Section 47, Rule 1, so far as the Head of the Office can give it.

5. Any other remarks. {The Statement made by the Applicant with regard to the service of 3 [illegible] Y. M. D. 5 3 28 as shown in the District as stated by him agrees as the part of this Statement is supported by that given in the temporary form and the break shown in Item 3 appears to be the result of overstaying sick leave in consequence of illness as above stated. There is nothing on record to the Contrary. I most strongly recommend that a pension of Rs 4 be given to Applicant in consideration of his great length of Service especially the break caused by sickness the two years 1854 spent in the District and his meritorious Service which seems to have been 5 years apparently in the Collectorate. I also recommend that the Gratuity be calculated with reference to his Government Service fully for 41 years. I thank he has fully earned his pension. CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

CERTIFIED that ~~(subject to the remarks below recorded)~~ qualifying service in {inferior / superior} grades after the break of 5 years 3 Months & 2 days has been duly proved for 30 years 9 months and 7 days; and that an invalid {pension / gratuity} not exceeding Rs. 84 [illegible], is admissible under Section 63(2) of the Civil Pension Code. The calculations have been duly verified. It will be observed from the applicants own affidavit that the break caused by what the Collector calls overstay seems rather of the nature of resignation or dismissal than actual absence after the end of leave.
