Station; and I remained without employ for 4 years. After this I was appointed in 1867 a Kon on 5 Rs, in the District Post office of Condi; and held that post till May 1872, when the Government removed me from it. In 1869 I was absent on sick leave for 5 months. From the date in which I was entertained as a Kon of Manacoodi Salt Station up to the abolition of Ohandanguedi Station, I have not availed myself of any kind of leave. I have carefully discharged my duty. From 1833 up to May 1872 I was on public duty, during which interval I was out of employ for 4 years, and availed myself only of sick leave for 5 months, and I have not taken any other leave. Though I am not able to give the exact date and month of my several appointments yet I have, as far as my memory could help me, given the correct years. I possess no records which relate to my appointments. I received 4 Rs per mensem as salary when I was in Tiruvagampet
