I have - Alfred Russell Gilchrist
 reports that he is not fit for service
 because of the disease of the prostate
 gland being the age is by his own statement
 62 years and by appearance the same and that
 I find him to be unfit for further service as
 he is not a man but the result of which is not
 in my opinion attributable to intemperance

 killed by the applicant with a knife, but
 it was not proved because it was
 considered unnecessary, the applicant
 being over 60.

 very good for his service prior to 1868
 (August 1867, 1868) but he was not

- 3 The President states that the
 delay in submitting the application
 was owing to the Government having had
