The Salt Supt of the Padarti
Dura

Adverting to the Salt Dy
Collector's Yadast of the 30th Instant
No 97 giving cover to the Records of
the three cases, viz: (1) the embezzlement
of Rs 1-3-0 by Harrying, the Dygasti
of Allura Cottar from the sum of
Rs 6 entrusted to him; 2nd the discovery
of a false sealing plank in the possession
of the watch peons 8 months ago; and
3rd the liberation of the persons who
stole salt from the heaps of the
Davarampade Cottar, an inquiry
was held into the matter in the

presence of the parties concerned after going through the records and the Depositions taken from the said individuals before the Salt Deputy Collector.

Case 1:

From the Kyfiat given by the Alliein Cottar Pygaski Hareising relative to the embezzlement of Rs 1-3-0 from the Rs 6 entrusted to him by you with a view to pegs being procured for the Kumparti station, it appears that of the Rs 6 given him, Rs 5 were spent in purchasing 1250 pegs of which only 1200 were sent to the Kumparti station; that of the remaining 50 25 were appropriated to his own private

use and the rest given to Nayani Bapaya, a peon of the same Division who came along with him; and that above all he confessed before us (the Collector) that his statement was true. Nayani Bapaya stated that he did not receive 25 pegs from Harrysing and that he bought for his own use 25 pegs as they were very cheap. From this it would appear that what Harrysing deposed to, appears to be true whilst the statement of Bapaya that he bought the pegs for his own use, was incredible.

Case 2:

This case must be considered true, that the watchmen of the Alluvion Cotters had in their possession a false sealing plank. It is not only proved that Somaji Ramaji distinctly informed the Rygast Harrising & Mivisunda Machai Varadiak of this fact but that they both confessed it to be true before us. It does not appear that they even did endeavor to get hold of the plank after it came to their knowledge nor to report the matter to the proper authorities. On this account these two persons as well as

57
The other Division Peons, Devaboyana,
Venkaya, Shaik Adam, Ibrahim,
Bakur, &c. are in all stand equal
responsible for neglect of duty.
is no proof on the ground
of this case against Shroff Shukri
Jooiak.

Case 3:

Though the Divisada Macha
Varadiak & Akubarnis Dittacari
Pitchiak are the chief ~~accused~~
in causing the spontaneous salt measuring
20 markals stolen from the heaps of
Davarampad Cottar by the three
boys, Goduru Lutchadu, Kristadu
& Muttadu to be thrown into
the sea yet you (the sub) are also

to blame in the Affair. Had you done your duty with care, the persons charged with theft would have been seized into according to Law & stood liable to punishment. Your not having done so shows that you were careless. The conclusion arrived at on considering the whole mass of facts is that Mr. Nivisinda Enacha Varadiak will be suspended for 3 months on account of his irregular conduct in the 2nd case & transferred to another Division after the expiry of the period of suspension and also that no other punishment is to be awarded for his share in the 3rd case as it was deemed his former punishment was sufficient as it appears that the first Akburnivis

Dittacavi Pitchiah had a hand in
the the case, his transfer to another
Division has been resolved upon. For
his misconduct in the 1st case Harry
sing is to forfeit half his pay as
fine and suffer suspension for 3
months and for similar misconduct
in the 2nd he is to undergo the sus-
pension of another 3 months, making
in all 6 months & pay a fine of
his pay. On the expiration of the
period of his suspension he is to
be transferred to another Division
on a reduced ~~salary~~ salary as
a penon, as he seems to have a
good many relations in the Division
whose transfer to some other Div

has consequently been decided upon
the four persons named Samaria, Naamah,
Berthaza, Shabaz, & Shalim.
In restoring not only
the persons to their offices but also
Garryding and Maacha & Saraiah
on the return of the king Darius.
it is to be considered whether these
as well as others besides may
be needed in the service and the
exerted to secure them as have
false living
he told distinctly
their restoration

that peon Nayari Bafaya is to suffer
three months suspension and to pay
a fine of half his salary owing to
his misconduct in the first case,
that as no proof or the record is
forthcoming against Thulun
Sookiah he is warned & told
to resume his duties; & that the
peons who have come as witnesses
have been ordered to go back.
You should understand that
from the 1st instant the names
of the suspended parties are to be
struck off the Ray abstracts and
collect the fine imposed on the peons

and credit in the Treasury. With
regard to the nomination of persons
to other Divisions as well as to
fill up the vacancies caused by
the suspended persons the Salt Dy
Collector has been written to and
on the receipt of his reply orders
will be given on the subject. A
Letter had been issued to the Cash-
keeper directing him to bring to
the Govt: credit Rs 1-3-0 paid
back by Harry Singh from the money
given for fees relation to the first
Case. You should understand
that only Rs 4-13-0 ~~was~~ ^{will} speak
