- The first break in the service of the applicant was owing to the abolition of the pay as per Extract from the Minutes of Association dated 10th April 1844 the 349 and the 2^d break from 19th July 1865 to 10th March 1866 was on account of reduction of Establishment owing to the Honorable Mr. H. H. J. de Meuse.

The Applicant was ordered to retire in December 1891 under the 55 years order. His re-employment in the Service was for some time afterwards under consideration, but being found insufficient for further Active Service it was finally resolved in November 1892 to obtain for him such gratuity as he may be entitled to. The delay in submitting this application since then is owing to the time occupied in procuring his services from the records of the various Districts in which he served - His name is now published in the Applicant as he was not of full complement from 18 years of age.
