Memorandum for Orders

P. Hanumantha Row
late Head Clerk in Pongalor
Taluk in the
Siddapah District retired from
the Service in October 1858, on
account of old age. He
appears to have made an
application for pension to the
District Authorities who,
having provided for his
son, disregarded it.

Last year on his
petitioning Government the
Collector was called upon
for a report and on its
receipt

Receipt a G. O. was passed
directing the submission of
an application for any
retiring allowance to which
the man might be entitled
under the rules.

3. Having retired in
1858 his case comes under the
rules of 1857, under which
it appears to have been
customary to forward with
all applications for pension
a medical Certificate.
The 10th rule however only
calls for one in the case
of incapacity for further
service on account of
protracted

x N^o 830

date 7th Dec 72.

"protracted illness, loss of
sight or other bodily or
mental infirmity".

4. Now the 3rd rule is
distinctly contemplated the
granting of pensions to
persons -

"incapacitated for further
employment by old age" -
and as rule 10 quoted above
did not call for a medical
Certificate in such cases
it is submitted that none
was necessary and that
therefore the claim of
Lanman on the Row, one of
such class of persons, is not
barred by his not having
obtained

obtained a medical
certificate.

5. His qualifying
superior service, including
breaks &c, amounts to
34 years 9 months & 22 days
and entitles him, under
Clause 2 of the 5th of the 1831
Rules, to a pension not
exceeding half his salary
or to Rs 8-8 per mensem.

6. His claim to pension
admitted, it only remains
to settle the date from
which it is to commence.

7. In their Proceedings

the Government of India
directed that when "parties
are not in the employment
of Government at the time
of applying for pension
the pensions commence from
the date of the orders
sanctioning the pensions."

8. To enforce this rule
in the present case would
be to compel P. Hanumantha
Row to lose that pension to
which for the last 14½
years he has been entitled,
and for which the Collector
writes "he has been
petitioning since 1860 the
Revenue Board and
Collectors

Collectors to no purpose.

9. It is submitted that
his case should be treated
as a special one and the
Government of India's sanction
be obtained for granting him
a pension of Rs 8-8 per
mensem to commence from
the 29th October 1858, being
the date of his retirement.

granting the pension
I have made it
payable from the
date of the J.O. (7 Dec 72)

2 supra as that

the pension a super-
