Accountant General, Madras

I have the honor to acknowledge the
permanent payable order of Rs. 100/-
annually and Gopul Chetty and to report
the death of the latter on 23rd Feb 1873.

The pension was granted to the widow
and son of Gootakrishna Chetty until
the son had reached sixteen years of
age but no provision has been made
for the contingency of his dying before
that time. The widow has one unmarried
daughter named Greenachee Ammal
aged nine. I would suggest that the
order of Government be solicited as to
whether a reduced pension for life can be
granted to the widow.

Memorandum for Orders.

In their letter No 199
dated 9th April 1872, this
Government recommended to
the Government of India the
grant of a pension
of Rs 10 per month to the
family of one Mootoo Krishna
Chetty, a draughtsman, who
died from the effects of an
injury received while
superintending certain
blasting operations. The
pension was to hold good
until the deceased's son

Gopal Chetty attained the age of 16 years.

2. The grant of the pension on the terms proposed was sanctioned by the Govt of India and was subsequently confirmed by the Secretary of State.

3. The Collector of Coimbatore now reports that the Accountant General, the death of Gopal Chetty on the 23rd of February last and suggests the grant to his mother, Mootoo Krishna Chetty's widow, of a reduced pension for life. He further reports that she has

has one unmarried daughter aged nine.

4. It is not stated what Gopal Chetty's age at his death was, but it is to be presumed that had he attained the age of 16 years, it would have been mentioned.

There must therefore still have been some time for the pension to run and it is probable that having been granted to the family, it might still be drawn by them until the date on which Gopal Chetty would have been 16 years old had he lived.

5. Apparently however it

It was intended that
Mootoo Krishna Chetty's
family, having been deprived
by his death of their chief
means of support, ~~substantial~~
should receive assistance
until such time as the
surviving male member
had reached an age
when he could work to
maintain them.

6. Gopal Chetty's death
has now deprived them of
all chance of such
support in the future and
it seems just that some
further provision should
be made for them.

At

7. At the time of
Mootoo Krishna Chetty's death
his family was reported to
consist of a widow, a son
(Gopal Chetty) and two daughters.
The son is now dead and the
Collector speaks only of
one "unmarried" daughter.
apparently therefore only this
girl and the widow need
be considered.

8. It is suggested that
the requirements of the case
would be met by the
grant of a reduced pension
of 5 Rs per month to
Mootoo Krishna Chetty's
family to commence from
the date of his son's death
