Proceedings of the Madras Government, Pension Department,
1st September 1869.

Read the following papers :—
From the Acting Civil Judge of Cuddalore.
(Here enter 18th March 1869, No. 3).
Report of the Examiner of Claims.
(Here enter 18th August 1869, No. 879).

ORDER THEREON, 1st September 1869, No. 289

From the foregoing register of application for pension to Cuddalore Viniyoga Mudali, late Translator in the Civil Court, Cuddalore, and the accompanying papers, it appears that his service qualifying for pension amounts to twenty-eight years, six months, and seventeen days, up to the 16th February 1869, the date of presentation of application. The applicant was certified to be unfit for further service on the 12th February, but the medical certificate with the application was presented to the Acting Civil Judge on the 16th idem. That officer, in contravention of the repeated orders of Government, permitted Viniyoga Mudali to remain in the service until the end of the month, and on the 28th February he was removed from the effective list.

2. Subject to the confirmation of the medical certificate by the Deputy Inspector General of the Indian Medical Department, His Excellency the Governor in Council is pleased to grant to Viniyoga Mudali, under Clause 3, Section 6 of the Revised Uncovenanted Service Pension Rules, a pension of Rupees 25 per mensem, being a moiety of his salary during the last five years of his service. Under the orders of the Government of India, dated 21st February 1856, No. 848, the pension will be paid from the 1st March 1869; but as the Acting Civil Judge is responsible for Viniyoga Mudali's improper retention in the service from the 16th to the 28th February, both days inclusive, the difference for that period between the pay drawn by, and the pension now granted to, the applicant, will be recovered from the Acting Civil Judge.

PENSION DEPARTMENT.

NOTIFICATION.

Fort St George, March 22, 1869.

IT appears that ——— a second class Revenue Inspector of the ——— Taluq in the ——— District, submitted an application for pension, supported by a medical certificate on the 6th of July last. The Collector of ——— however, in direct contravention of the orders of Government, allowed this man to continue in the Public Service up to 31st August. Under the terms of the Notification published in the *Fort Saint George Gazette*, dated 4th October 1866, the Collector Mr. ——— has thus rendered himself personally liable for the pay of the servant irregularly retained. The Government have so frequently warned the Heads of Departments of the responsibility which is attached to them in respect of observing the Pension Rules, that they are unable to relieve Mr. ——— from liability in the present case. The Accountant General will accordingly arrange for the recovery from that gentleman of the amount due.

By order of His Excellency the Governor in Council.

R. S. ELLIS, *Chief Secretary.*

PENSION DEPARTMENT.

NOTIFICATON.

Fort St. George, October 4, 1866.

THE Governor in Council regrets to observe that the practice of retaining applicants for pension, declared by medical certificate to be disqualified for further service on the effective lists of Establishments, prevails in many Offices both at the Presidency and in the Mofussil, notwithstanding the repeated and explicit orders contained in the FORT ST. GEORGE GAZETTE, April 30th 1861, page 594, communicated to all Collectors in the Board's Standing Circular No. 8,206, 16th December 1862, and the Notification, Pension Department, dated April 17th 1866, page 603.

It is therefore hereby notified that, in future, subordinates declared disqualified for further service will in no case be considered entitled to pay after the date of such declaration, and Heads of Offices will understand that they will be held responsible in every case in which a subordinate is retained on the effective list to which, in accordance with the rules above adverted to, such subordinate no longer belongs.

By Order of the Governor in Council.

Sir,

In continuation of my No. 896 dated 17th Instant, I have the honor to offer the following explanations called for in your No. dated 11th January 1873.

I. The Medical Certificate was sent to the Deputy Inspector General of Hospitals, Indian Medical Deptt., Presidency Divn. & Northern Distt. for his countersignature, it has now been received and is forwarded herewith.

II. The date of appointment shewn in the Service Register as 1st November 1856 is correct. It is presumed that the date mentioned in the Annual Return as 1st January 1857 generally refers to that of the Organization of the Public Works Department

N. H. Caley Overseer

Department, on which date it was brought into force.

III. The Re-organization of the P. W. Dept. in 1863 reduced him from Sub-Overseer to Salug Maistry, but the duties were similar in all respects. By a reference to the Fort Saint George Gazette dated 2nd October 1863, it will be seen that at page 628, the applicant's name is published as one of the Sub-Overseers, who were thrown out from employment in 1863.

18223

A copy of the Service Registers and other papers are herewith sent.

2. The Memoranda No — & 8305 of 11th January & 7th February 1873 are also returned.
