No 12. Salem Collector's office
Salem, 12th March 1873.

From.

The Collector of Salem.

To,

The Accountant General
Madras.

Sir,

I have the honour to
forward an application for a
Invalid Pension on behalf of
Vassodeviah, late Head gunnaster
in the sub Magistrate's office
on the Shevaroy Hills.

2. The Sub Collector being
dissatisfied with the applicant,
he was in 1868 transferred on
promotion to the Shevaroy Hills
Vassodeviah was unwilling to take
up an appointment on the Hills,
and consequently remained at
the Huzoor without joining his

appointment till 31st December 1868, when he applied for leave on forfeiture of full pay.

3. On 1st December 1869, the applicant appeared before Mr. Pochin and again requested to be transferred to some other taluq, but Mr. Pochin refused to grant the request, upon which Vassoodéviah resigned and applied for pension. The Collector gave an endorsement to the effect that if the applicant obtained a certificate of good conduct from the Sub Collector, he would be recommended for pension.

4. After various petitions to the Board and the Collector, all of which proved fruitless, the

applicant again petitioned the Board on 3rd July last, and the Board referred the matter to the Collector. I then called upon the Sub Collector to report as to the past conduct of the applicant, and if there were any specific charges against him. The Sub Collector Mr. Price, although giving a bad account of his character, stated "that there is nothing actually recorded against Vassodeva Row". Upon this, I recommended him for a pension and requested the District Surgeon to grant him a medical certificate, as Vassodeva Row stated that he was only 52 years of age. The

Lillah Surgeon declined to grant a certificate on the ground that the infirmity of the applicant (lameness) had been in existence from his birth. In consequence, I was compelled to pass a Proceedings stating my inability to do anything for the applicant.

6. Subsequently the Lillah Surgeon changed his opinion, and forwarded a medical certificate, dated 19th February 1873, received in this office on the 27th Idem.

7. Under the above circumstances, I trust Government will be pleased to sanction the pension applied for to Vassoo Deviah, who although not bearing the best of characters has still by his Service of nearly 23 years

5
earned a right to the allowance which every Government official naturally expects at the decline of a life spent in serving Government.

I have the honor to be
Sir
Your most obed^t Servant.

of Samkul Talug, and Vasudevan,
late Samkul Talug Javabneeriss
and present Trichengode Talug
Javabneeriss, are both suspended
till complete inquiries are

and the following substitutes
are appointed, Ragoonatha Row

Translation of a Sakud issued
by the Collector of Salem, to the Hoagor
Cashkeeper dated Salem 24th November
1853. No. 622.

Orders have already been issued
to you suspending Shankul Salug,
Maramut Gumastah Seroomal Row,
and Vasudeva Row, transferred from
that Salug to the Tricheugode Salug,
as Javabnevis, and appointing
substitutes to them, pending enquiry
into an alteration made in the
accounts referring to the repair of
Puyacolum Tank in Shendamanga-
him Village, ^{of Shankul Salug.} for the year Siltathiri.
Final orders are now issued after
enquiry into the Case. It is entered
in the Copy made in the Salug, when
the original account was sent

for to the Hazoor in 1849, that there were only three Corrections in the Original.

From this it is apparent, that the alterations should have been made by the party interested in the appellant the Mootadar or by his Tukul, to make evidence from them, at the time the Account was out of the Salary Khut-Chery in the Custody of Maramunt Gummastah Serumal Row, who was directed to produce it for the inspection of the Court. Suspicion also falls on Serumal Row, that he made the Correction by the fact of his having produced at the enquiry before the Court, an irrelevant remark made in the Copy of the Account for the year Kalayukti. Consequently he is not fit to be entertained in Government Service, and he is dismissed from the date of his suspension and Shummamya, the Acting incumbent is confirmed

in that appointment.

Sub Collector's Hazoor Gummastah Venkata Row, not having brought to the notice of his superiors the alterations so made in the Account at the time he copied it, and as suspicion arises against him also, that he was concerned or that he has been careless in copying the Account as altered, he (Venkata Row) is suspended for 3 months from the 17th instant. As there is no evidence in this matter against Vasudeva Row, Javabnuiss of Sicheyode Salary, he is reinstated in his appointment from the 17th instant; the Acting incumbent, Raja Row transferred to his old appointment of Maramunt Gummastah of Senuky Salary, and Venkataramanyya, Acting Maramunt Gummastah removed from that appointment. Orders have been issued to the Sub Collector's Sheristadar

and the Salary to enter the above in
the Pay Abstract for the Current Month.
If it is so entered, you will see that
it is correct and act according to orders.

Memo for Orders.

Applicant is reported by the Deputy Accountant General to be admissible, under section 56 (b), to a pension of Rs 4-10-8 per annum for a superior service of 20 yrs 9 mos & 4 days, but for two difficulties.

1 Delay of 3 years 2 mos and 19 days in producing Medical Certificate.

2 Absence without leave for one month and 26 days.

(1) The first was the result of the Medical officer declining, in the first instance, to grant the Certificate on the ground that applicant's infirmity was of long standing. Subsequently he changed his mind as the disease (of the hip) was rapidly increasing.

Applicant is not to blame for this delay, but the certificate only speaks to his incapacity on the 19th February 1873 and it by no means follows that he was really unfit for service on the 1st December 1869, the date from which the pension would commence if granted. Under Financial Proceedings of the Government of India of 18th June 1870 No 1158, the Local Government can decide a question of this kind without reference to the Government of India.

The 2nd objection seems also to be serious. In November 1868, the Sub-Collector was displaced with applicant who was on a pay of Rs 15 and he was promoted (apparently as a punishment)

to a post of Rs 20 on the Shering Hills. His appointment he never joined and on the 1st January 1869 he obtained leave on forfeiture of pay.

The offence of not joining his appointment appears that to have been condoned and leave was granted him, but, under clause 1 section 45 of the Pension Code, resignation, (subsequent to the 8th June 1863) and, *a fortiori*, absence without leave, entails forfeiture of past service.

It might however be held that the leave granted under ^{such} circumstances was clearly meant to have retrospective effect from the date on which he availed himself of it and as petitioner's whole qualifying service was

was prior to that date
it seems hard (if the
Government be satis-
fied with the Medical
Certificate) to deprive
him of his pension
for a subsequent tech-
nical break in his ser-
vice of one month &
27 days.
