honour to forward herewith a statement, showing the name, designation, salary, age, and service, of four servants who have passed the age of fifty-five years, and whose further retention in the service is recommended on the following grounds. The cases of four others have already been disposed of as detailed in the margin, while those of the remaining three require no notice:—

1. Raghunadha Patnayak, Revenue Inspector of the Purushottapur Division

of the Berhampore Taluq, aged fifty-nine years, has a total service of twenty-eight years, of which only fifteen years count towards pension, the remaining period having been spent in posts, the pay of which was only 10 Rs. per mensem. Both the Tahsildar and the Senior Assistant Collector, under whose immediate supervision the Berhampore Taluq is, consider him strong enough for the efficient discharge of the duties connected with his post, and recommend his being permitted to continue in his present post for three years more.

2. Batchu Gopalem, Gumastah under the Sub-Magistrate and Deputy-Tahsildar of Aska, aged sixty-two, has a total service of twenty-two years, of which, however, only twelve years and eleven months count towards pension, in which again there is a break in consequence of his post having been abolished during the revision of the Revenue Establishment, the remainder having been spent in temporary posts as well as in those the pay of which was only 10 Rupees. He is strong and healthy, and able to perform the duties connected with his post. He will get no pension whatever, unless he is allowed to continue in his present post for two years and a month longer.

3. M. Gopalakrishtamah Pantulu, Salt Superintendent of Nowpadah, aged sixty-four years, has a total service of thirty-seven and-a-half years, of which, however, only fourteen years and eleven months count towards pension, the remaining period having been spent in posts, the salary of which was only 10 Rupees. He is strong and healthy, and able to discharge the duties connected with his post. The Salt Deputy-Collector has a high opinion of his integrity, and recommends his continuance in service for a further period of one year.

4. K. Jaggannadham, a Clerk in the Sea Customs Office, Ganjam, aged fifty-six, has a total service of forty, of which, however, only twenty-two years count towards pension, in which again there is a break in consequence of the abolition of his post during the revision of the Revenue Establishments. The rest of his

service has been passed in posts, the pay of which was below 10 Rs., having for a long time been employed on the District Munsiff's Establishment, the pay of which was proverbially low, commencing from 3 Rupees. This man is strong and healthy. The Sea Customs Superintendent has a high opinion of his usefulness, and at first recommended his continuance in service until he attained his sixtieth year, but this request not having been complied with, he now recommends him to continue in his post up to the end of July next, when he would complete five years in his present post of 20 Rs. pay, and thus be entitled to one-third thereof as pension.

5. Under these circumstances, I request that the above-mentioned four individuals may be allowed to remain in service during the periods recommended in each case.

of Ganjam.

The Accountant General remarks
that your name is entered as Jagannaya:
-kuled in the Establishment roll of the
1st May 1855 while it is entered as
Jaggaya in that for May 1856. It is
your real name and so has been the cause
of the entries being made so in the rolls
of those years?

My name is Jagannatham. The
name called Jaggaya is also used
I am also scarcely called Jagannayak
-lu. Therefore at the time of preparing
the rolls in the Taluq Kacheri my
name might have been entered as
Jagannaya kuled in 1855 and as Jaggaya
in 1856 - but however my name is
