No. 331. From the District Engineer, to the Chief Engineer, Public Works Department, Madras, dated Bangalore, 10th January 1873, No. 893.

I have the honor to forward a letter from Mr. Mechanical Engineer Smith, in which he requests that he may be allowed to count the time he has served the Government in India towards leave and furlough under the Uncovenanted Leave Rules.

As it appears from G. O. of the 11th November 1872, this privilege has been granted to Mr. Thompson, I would beg to recommend that Mr. Smith should also be allowed the same indulgence.

Transferred to the Military Department, by which department Mr. Smith is paid.

It appears from two of the certificates submitted by Mr. Smith, that he was employed in the Indian Navy from 19th August 1856 to, at least, 31st August 1864. If this service be shown to be continuous, and his service in the Lawrence Asylum Works declared to be of such a nature as to give claim to pension, he will be entitled to count such service towards leave and furlough under the Uncovenanted Civil Service Rules.

*Proceedings of the Madras Government, Public Works Department,

Read the following Proceedings of the Madras Government in the Military Department:—

Passing orders on Mr. Mechanical Engineer Smith's request to count his services to the Government of India towards leave and furlough under the Uncovenanted Leave Rules. (Here enter No. 675, dated 21st Feb. 1873.)

ORDER THEREON, 28th March 1873, No. 246.

THE papers recorded with Government Orders, Public Works Department, dated 26th February and 27th April 1867, Nos. 585 and 1,254, show that, in accordance with the terms of his covenant, Mr. Smith completed ten years' service as Warrant Officer of the Bombay Marine on the 13th January 1867, and that his continued employment as a Mechanical Engineer in the Madras Public Works Department on the Lawrence Asylum Works was authorized under the terms of the Uncovenanted Service Rules.

2. In consequence of a reduction of establishment, his services on the Lawrence Asylum Works were dispensed with on the 31st March 1870; and in Order of the Financial Department, dated 28th June 1870, No. 284, a pension of 2s. 6d. per diem was passed to him from 31st March for his services as a Warrant Officer of the Bombay Marine; and in G. O. of the Pension Department, dated 10th August 1870, No. 371, a gratuity of Rupees 1,298-7-0 was sanctioned for his subsequent service on the Lawrence Asylum Works.

3. In September 1870, Mr. Smith accepted employment as Mechanical Engineer in connection with the Ulsoor Water Works, Bangalore, and, under the circumstances, his claims to leave for service on the Lawrence Asylum Works, which he was allowed to reckon under the Uncovenanted Service Rules, can only count on his refunding the gratuity drawn by him.
