No. 438. Read the following memorandum from the Acting Under Secretary to Government, Pension Department, to the Secretary to Government, Public Works Department, dated Fort St. George, 5th March 1873, No. 9:—

As the compassionate allowance to which P. It is further remarked that the order, in its present state, cannot be acted upon, as the date from which payment is to commence is not stated therein.

ESTABLISHMENT, No. 52A.

SIR,—I am directed by His Excellency the Governor in Council to forward a copy of the orders in this

department, No. 609, dated 25th February 1873, granting to P. Moothiah Pillay a compassionate allowance of Rupees 4 per month, and to request that, as the case does not appear to come within the scope of the Civil Pension Code, the confirmation of the Government of India may be accorded to the proceedings in question.

2. The circumstances of the case are fully stated in the accompanying note by the Director-General of Post Offices in India, and, although the temporary and disconnected nature of the services rendered to Government by Moothiah Pillay precludes their verification in the usual manner, His Excellency the Governor in Council is satisfied of the substantive correctness of his statements; and, looking to the long period of his employment, as well as to the age and apparently helpless condition of the man, His Excellency trusts that the allowance may be confirmed.

I have the honour to be,

Sir,

Your most obedient servant,
