Sir,

With reference to your memo No. 218 dated 22nd instant, I have the honor to report that application for list of Revenue services of the Head Constable Karim Sahib No. 1138 was made to Collector of Kristna on 4 January 1871, and reminders were sent in February and September 1872. The Collector furnished it on 21st September 1872 and stated that 10 years of his services could not be verified from the records in this district he having served in Godavery during that period. I therefore on 21st September 1872 requested the Collector of Godavery to favor me with a verified statement of that service. He replied on 16 December 1872 that it could not be verified for reasons stated in his letter (copy of the letter already submitted with the roll).

2. The delay was therefore caused in obtaining the past services from the Revenue department.

3. The invaliding committee having on 24 January 1872 certified that the applicant was unfit for further service it became necessary to discharge him immediately.

Applicants service is proved by records from 1838 which entitles him to a gratuity of Rs 135.

His service prior to that date cannot be verified from the Office records but he produces an order without signature dated 1834 appointing him Police Peon of Pentapaud. The absence of the signature is explained by the Statement that it was in such pale ink that it vanished completely. It is also suggested by the Collector that the signature may have been omitted by oversight.

The Collector (Mr. Leman) states that the seal is Mr. Gleig's and that he has no doubt of the genuineness of the document.

The applicant also states that he first was appointed Kattubadi peon in Mr. Dent's time and held that post for six years before he was made Police peon as above stated.

The old service list in this Office shews that Mr. Gleig was Collector of Masulipatam in 1834 and Mr. Dent held the appointment six years before as stated by the applicant.

Two of his contemporaries also depose to his appointment as Police peon of Pentapad.
