Return of a Man of the Mofussil Police Establishment, Considered Unfit for further Service.

Department	Genl No.	Rank	Name	Age	Service	Disease or Medical reasons for considering the Man Unfit.	Summary and period of treatment with opinion as to benefit to be derived from further treatment.
Mofussil Police Establishment	673	1st Class Constable	Boriah.	35 Years.	13 Years.	<u>Amaurosis.</u> Admitted into Hospital on the 13th of December 1872 with Amaurosis of both eyes. He is totally blind. Pupils dilated, Cornea of both eyes prominent and convex. No opacity. Has Ptosis of right eyelid. Was brought into Hospital from Thiruvaregode Talook, distance 15 miles from Bellary. Disease, stated on admission to be of 20 days duration. Commenced suddenly with pains in the head, particularly forehead. States the blindness also came on suddenly, and can give no particular cause for it. Had been in good health, and had good sight previous to the attack, and had been under Native treatment from date of attack to date of admission into Hospital here. Now complains of severe aching pains in eyeballs principally the right, and forehead. There is no heat of skin. Up to this date he has derived no benefit from treatment. It is never likely in my opinion to prove an efficient Constable and do not think any advantage would accrue from a change of air, being of opinion that the disease arises from Organic Cerebral Disease. Contracted on General Service. Not the result of his own imprudence. Not fit for any further service.	Treatment. Internally. Calomel, Opium, Sulfate of Magnesia, to slight Phosphorus, Liq. Hydrarg. Rochford. Liq. Strychnia, - Quinine, - Morphia at bed time, and during the day to relieve pain. Tonics and Sedatives Combined. Externally. Leeches. - Blisters. &c. Not likely to derive any benefit from further treatment.

Extract from letter from Superintendent of
Police Bellary dated 28 May 1873 N. III

The Constable was declared to be
unfit on the 8th February by the Medical
Invaliding Committee. The Proceedings submitted
by the said Committee was not duly filled
up as to personal descriptions &c. of the
Constable. This omission necessitated the
calling in the Constable who had left for his
native place. The Constable was again sent
to the Garrison Surgeon with the Proceedings
on the 28 May 1873 and got the information duly
filled up. Hence the delay in the submission
of this application.
