*Proceedings of the Madras Government, Pension Department,
12th July 1873.*

Read the following papers:—

From the Secretary to Government, Military Department, dated 7th April 1873.
" Deputy Accountant-General, dated 9th April 1873.
" " " " " 16th June 1873, No. 133.

ORDER THEREON, 12th July 1873, No. 357.

Applicant's total service in inferior grades amounts to years 41-0-10, which would entitle him to a pension of Rupees 4 per mensem were it not that a deduction must be made of years 17-4-4 spent in the Prize Department, which was not on a permanent footing, and service in which consequently does not count for pension.

2. It appears, however, that, in 1859, the Department was reorganized by the admission of one writer to a pension, and by the transfer of the other to the fixed establishment of the Military Department with the benefit of his service in the Prize Department.

3. There appears no reason for treating the present applicant's case differently from those above cited, and His Excellency the Governor in Council consequently resolves to submit his case for the favourable consideration of the Government of India, with a view to the grant of an invalid pension of Rupees (4) four per mensem, and, pending their decision, to sanction payment of the gratuity of Rupees 48, to which Conjee Veerasawmy is entitled under the rules, by monthly instalments of Rupees 4 with effect from the date of retirement, 11th March 1873.
