*Proceedings of the Madras Government, Pension Department,
21st July 1873.*

Read the following papers:—

From the Secretary to Government, Public Works Department, dated 27th May 1873.

„ Deputy Accountant-General, dated 20th June 1873, No. 144.

ORDER THEREON, 21st July 1873, No. 366.

Under Sections 49 and 56 (b) of the Civil Pension Code, His Excellency the Governor in Council is pleased to grant to Sadras Soobooroy Pillay, late Head Printer, Government Lithographic Press, an invalid pension of Rupees (11-10-8) eleven, Annas ten, and Pies eight per mensem, payable from the 26th March 1873.

2. With reference to the Deputy Accountant-General's remarks, the Governor in Council would observe that Section 40 makes reference to the case of a lithographic pressman, and is clearly inapplicable to the case of the present applicant, while Section 39 (n) leaves no room for doubt that the service of a lithographic printer, whose pay exceeds Rupees 10, is classed as superior.

CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

Certified that (subject to the remarks below recorded) qualifying service in {inferior} grades has been duly proved for 16 years 2 months and 20 days; and that an invalid {pension} {gratuity} not exceeding Rs. 11-10-8 per annum, is admissible under Section 56(b) of the Civil Pension Code. The calculations have been duly verified.

Should Government be pleased to consider his services superior as was ruled in the case of Mr. S. Ramo who was also a printer in the same Department and was granted a superannuation pension in G. O. Public Department's separate No. 131 dated 19 June 1886. This official is not equal to if not requiring more skill than that of a compositor.

If Government consider it as inferior an invalid gratuity not exceeding Rs. 11-10-8 per annum is equal to 5 months pay under Section 53(a) of the Civil Pension Code will be admissible.

J. W. J. van Lameren M.D. Surgeon Major
1st District do hereby certify that I have carefully
examined Subbry Nead Privilier of the Government
Lithographic Department that his age is by his own
statement 59 years and by appearance about 59 years
and that I find him to be unfit for further service.
He is fat and generally feeble, from advanced age
and general Debility, for which I have not treated
him. The man has already had leave for a month
and has applied for an extension but believing
him to be unfit for the forementioned reason, I
have declined to give him a certificate for more
leave. He is not likely to derive permanent benefit
from treatment or change of air, and that his
malady is not in my opinion attributable to
intemperance or other irregular habits.
