FROM THE ACCOUNTANT GENERAL

~~See~~ Vide of office application for
an inferior pension on behalf of Ullal
Subba. The undersigned has the honor
to request explanation on the following
points:-

1. Have the services of the applicant
been verified from your records? If
so why was it not stated thus in the
column "How verified" in the second
side of the Register of application;
if not verified please cause the same
to be done now & report the result
to this office.
2. Why was Applicant's Service book
required to be kept and sent under
section 69 & 72 of the C. P. Code not
forWARDED? The same should now
be sent for submission to Govt with
this office report upon the applicant's
claim to pension.
3. Why was the Applicant stated to have
been a postal peon of Mangalore taking
from

from 28 Dec/37 to 30 June/38, while from the Annual return of 1 May/38, there does not appear to have been postal peons in that Taluq. but only 5 Revenue peons on 5 Rs each besides peons on life pay.

The Collector of South Canara

In enclosing the Proceedings of the Board of Revenue No 805 dated 6th Instant (to be returned) and with reference to the Collector's reply No 1171 dated 27th September last, the undersigned has the honor to enquire for what reasons the Collector considers the "Extra Tappal Libhendi" in which Mahomed Cassim was employed as Peon to have been of a permanent nature, and under what head of the three classes referred to in the above Pro. does this Establishment fall, and under what authority, and was the same Establishment in which the applicant served made permanent by Honble Mr Kelly's revision of Tappal Establishments and can service in such count for pension under Sec 17 Rule 1 of the Civil Pension Code, if not, why was such service reckoned as qualifying.

Proceedings of the Board of Revenue, dated
6th December 1872.

Read letter from the off^g Dy. Acct^l
General dated 17th October 1872, No 5266,
requesting to be informed whether the
District Tappal Establishment, prior to
the revision of that Establishment by
Mr Pelly, was permanent or temporary.

The District Tappal Establishments
prior to the introduction of Mr Pelly's revision
thereof consisted:-

- (1) of the servants borne on general revenue,
sea customs, salt & sea Establishments
- (2) of those entertained under special
orders of Gov^t issued from time to time.
- (3) of those employed under the authority
of the Post Master General - The Establish-
ments falling under the 1st class were
always considered to be permanent,
but as regards the other two classes,
the Board are unable to state whether
they were permanent or temporary as the
several orders under which they were
entertained have never been communicated
to the Board.

2. To enable the Accountant General
however, to refer to the several orders under
which the Establishments were entertained
from time to time the Board forward
herewith

herewith detailed lists (to be returned) of the
establishments received from the Collectors
just before the introduction of Mr Pelly's
revision showing the dates of the several
orders under which they were employed in
each District.

No 93-

The Extra Tappal Sibbundi in which
Mahomed Cassim was employed as peon
appears to be of a permanent nature and to
fall under the 1st class, referred to in the
Pro: alluded to in the letter under reply - The
authority quoted in the earlier Establishment
lists is dated 28th April 1835, but this order
is not forthcoming on the records, it having been
destroyed during the Coorg insurrection in 1837.
The establishment is believed to be permanent
because it continued in existence until Mr Pelly's
revision and was afterwards continued by him.
Vide G.O. dated 31st March 1869 No 847. Mahomed
Cassim's service does not come under Sec. 17 Rule 1,
of the Civil Pension Code and was therefore reckoned
as qualifying service.

Reply to the Memo from the office of the
Accountant General dated 3rd June 1873.

Query No. 1. The applicant's services have been
duly verified from the records of this office.
The necessary entry to this effect was omitted
to be made in the application through an
oversight.

No. 2. The Service Books have not yet been
prepared for the public servants of this
District as already reported in my replies
to your Memo: dated 14th May 1873, on the
application of Shaikh Hussain, Moneygar of
the Amindivi Islands.

No. 3. Because his name is clearly so entered
in the Vernacular accounts of the period referred
to, the entry being as follows - "Tappal Peon
at Kannir (in Mangalore Taluk) salary
Rs 5-0-0". I can find no office copy on my
records of the annual return submitted on
1st May 1838, but on reference to the accounts
of subsequent years it appears that the
applicant was one of the Peons employed on
what is styled therein the "Extra Revenue"
Tappal Libbandy" entertained under the
order of Government dated 28th April 1835
and that the establishment is the same
as that mentioned in the
correspondence which took
place with your office regard-
ing the services of one Mahomed Hassim who
