Proceedings of the Madras Government, Pension Department, *29th July* 1873.

Read the following papers :—

From the Collector of the Godavery District, dated 3rd October 1872, No. 353.
,, Deputy Accountant-General, dated 8th May 1873, No. 70.

ORDER THEREON, 29th July 1873, No. 384.

Kamiri Virrazu was first entertained in the public servic[illegible] 18th August 1822 but was dismissed for negligence on the 12th December 1825. The service prior to this date is consequently forfeited under Section 45 of the Pension Code.

2. In July 1851 he was appointed as Mazumdar of Ellore on an estate which had been purchased by Government, and, with the exception of a short interval when he acted as Tahsildar, he remained in this post until November 1862, when he was appointed Revenue Inspector.

3. It appears that the service as Mazumdar was on an establishment subject to annual sanction and, therefore, nominally "temporary" and not qualifying for pension under Section 17 of the Pension Code.

4. The Collector of the Godavery District strongly recommends the case for favourable consideration and cites G. O., dated 22nd February 1872, No. 333, Revenue Department; but, as the Collector is incorrect in stating that Virrazu was in Government service when sent to Ellore, the Order quoted is adverse rather than favourable to his claims.

5. The service, however, though nominally temporary was practically permanent as the Government in 1853 called for the submission of a complete Moyen Zabita which would supersede the necessity for the temporary establishments, and, though the issue of the final sanction was deferred pending a general revision of establishment, the Government have decided in G. O., dated 17th December 1870, No. 711, that the delay should not operate to bar claim to pension

6. Accordingly His Excellency the Governor in Council resolves to grant a superannuation pension of Rupees (10) ten per mensem from 1st January 1872 to Kamiri Virrazu, late Revenue Inspector, Ellore Taluq, Godavery District.

Sir,

I have the honor to forward herewith an application for Superannuation pension of Rupees 10 in favor of Kamuri Virrazu, late a Revenue Inspector of the Ellore Taluq.

2 Virrazu is now about 63 ye old, and has consequently been reduced from service from the 1st January last. His service extends over a period of

23—8—11, of which only
Y M D
20—4—15
qualify

qualify for 1/3 pension. He does not require a medical certificate under Government Order dated the 4th October 1871 No 1735 Communicated with the Board's Proceedings of the 12th Idem No 4366. He is not able to carry on his work properly.

3 Of the total length of his service, Y m D 2 – 9 – " have not been born out by the records of either Masulipatam or this District, in which the applicant had served. because they are not forthcoming The applicants own declaration and the evidence (Copies enclosed) of two Contemporary employés, Gumastas of the Ellore Taluq, shew that the applicants service from July 1851 to the date of his reduction in AD 1871, was continuous. I therefore beg to recommend that a Pension of Rupees 10 be granted to the applicant.

4 The delay in the submission of this application is owing to the records of several years having to be examined, and a reference to the Kistna District having been necessary.

SIR,

Vide your office application for pension on behalf K. Verragu dated the 3rd Instant.

The undersigned has the honor to request information on the following points

Why was the applicant shown in the History of the service to have been permanently employed as Mazumdar from 19th July 1851 to 28th September 1854, when the Annual Returns furnished to the late Civil Auditor shew that he was only acting, it is not known for whom he was acting and what became of the permanent incumbent.

Why one C. Parrauza was shown in the room of the applicant in the Annual Return of 1st May 1856. and why was the applicant shown as Acting Mazumdar under the head Extra Establishment in the Return of 1857.

Neither the post of Mazumdar nor the Applicants Name appear in the Annual Returns from 1858 to 1862.

It is therefore necessary to report from what source, under whose audit, and under what Government sanction, the claimant was paid. If the establishment was dealt with as a temporary one, the service in it should not have been shown as qualifying for pension.

Sir,

With reference to your letter of the 23rd. Ultimo, asking for certain information in regard to the application for pension of Kannidi Virráz, I have the honor to inform you that the services of the Applicant till December 1859 were entered with reference to a memorandum sent to me by the Collector of Kistna District, I have requested him to furnish you with the necessary information direct.

2 With regard to para 4 of your letter enquiring why Virráz's name did not appear in the annual returns from 1858 to 1862, I beg to state that in December 1859 the Ellore Taluq of which Virráz was the Mazumdar was transferred to this District from the late Masulipatam District. He continued to be Mazumdar up to November 1862 when he was made Revenue Inspector of the Taluq under the Honorable Mr

Mr Pelly's scale, but his pay was entered in the estimate of Charges to be incurred on account of the additional Establishment sent annually to the Board and sanctioned by Government. The entries in the Register of Service sent to you from this Office were made with reference to the monthly passed abstracts, wherein no distinction of permanent or additional Establishment was made. It would appear, however, from your letter that Virráz's name appeared in the annual returns of permanent –

Establishment sent to the late Civil Auditor up to 1854, and I have requested the Collector of Kistna to furnish you with the necessary explanation as to how Virraz since came to be transferred to additional Establishment if he was once a member of the Permanent Establishment in the same post.

1 K. Virarazu was acting Mazumdar from 1851 to 1854, and the prefix "acting" was omitted in the Register by oversight. He is known here as having acted for one V. Sitapati who was suspended from service. But there are no papers on record in my Office in proof of this.

In 1857 and /58 Virrazi was still Acting.

3 The extra Establishment of the District was not entered in the Return for 1859.

As the Ellore Táluq, in which Virrazi was serving, was transferred to Godavari on 12th. December 1859, I have no records to show his subsequent service.

4. The Establishment on which the applicant served belonged to "the Estates" and is the subject of G. O. No. 186 of 18th. February 1853, communicated to the Collector with the Proceedings of the Commissioner of Northern Circars, No. 94 of 20th. February 1853.

Your office memo. dated 18th February 1873 Audit Department,

Answers to the queries can only be given as far as this District is concerned. Ellore Taluq was transferred to Godavery District in 1859, 12th December.

1. A. Virarázu was acting up to date of transfer of the Ellore Taluq to the Godavery District (1859).

2. Not known. But it is well known here that he was never again in Service.

3. Viraráz u continued acting up to date of transfer. In those days, orders of confirmation were not systamatically issued, the acting incumbent being considered as permanent if he drew full pay. There have been several instances of this kind.

No. 77. Godavery District

To

Offg Deputy Accountant
General. Fort St. Geo.

Virragi's services from 16th December 1859 to 11th November 1862 appear, so far as can be ascertained from the records of this Office and as explained in this Office letter to the Accountant Genl of the 12th November 1872 No. 387, to be temporary and as such do not count towards pension. They were not entered as such, because the Entries were made from the monthly passed Abstracts, wherein no distinction of permanent and temporary Establishments was made as stated in my letter No 387.

2 It would still appear to be necessary to make the following observations

3 Virrag served from 1851 to November 1862 in but one office, viz Magundar of Ellore, whether in Masulipatam or Godavery Districts. His name appears to have been entered in the annual lists till 1854, and the omission or insertion of the prefix "Acting" referred to by Collector of Kistna does not affect the nature of the Establishment - The Kistna Collector has no accounts for 1855 and 1856, and in 1857 & 1858, Virragwa "still acting" meaning of cours as Magundar of Ellore. With this information, Virrag services up to 1858 should be taken as on a permanent Establishment, and as counting for pension, but for the fac that he was "acting" which

assertion is not borne out by records, and which the applicant totally denies. It seems strange why Viraz's name did not appear in the annual lists only in 1859, as the Collector of Kistna says in para 3 of his letter to the Accountant General No 152 and the same course was adopted in the Godavery District from December 1859 to November 1862. If Viraz was on the permanent establishment up to 1858 in Kistna, I think he ought to have been so in the Godavery for he continued in it in the

2/ 295

same post. We may fairly assume that Viraz was permanent Mazumdar as the accounts till 1854 shew, instead of considering him as acting without any reliable evidence to go upon. Then as to the nature of the Establishment on which he was the Mazumdar, I may refer the Accountant General to para 4 of the Kistna Collector's letter No 152 above referred to wherein he says the applicant (Viraz) served on the Establishment which belonged to the "Estates" and is the subject of Government order No 186 of the 18th February 1853. This order (copy enclosed) speaks of Establishments employed for the management of Estates purchased on account of Government in the Masulipatam District. In their order of the 22d February 1872 No 333 Communicated with Board's Proceedings of the 1st March 1872 No 1542, the Government have laid down that the employment of Government servants on Estates attached for

for arrears of revenue and retained under managment is strictly Government service counting for pension. I am of opinion that service in an Estate purchased by Government is not worse, as Virraz was a Government servant when he was sent to Ellore.

4 The man was taken by surprise and was compelled to retire, and I think it very unjust in the circumstances of the case to deprive him of even the one third pension to which only he is

entitled. I would strongly beg to recommend Virny for the favorable consideration of Government.

Letter No. 152 from the Kistna Collector is returned.

Para 1. The Right Honorable the Governor in Council Sanctions the charges incurred in Fasly 1257 to 1260 on account of Establishments employed for the management of Estates purchased on account of Government in the District of Masulipatam amounting to Rs (49,515 - " - 9) fortynine thousand, five hundred and fifteen and pice nine. He notices that the comments made in Extract Minutes of Consultation 24th July 1851 Para 2 apply equally to these charges.

2. The revised Móyingáhita alluded to by the Commissioner in his remarks of 1st July 1851 should be submitted to Government on an early date. It is observed that the Dívy Zamindari has lately been acquired by Government and it is presumed

that the state of the District is now such as to admit for complete Móyingáhita being prepared and adapted which will supersede the necessity for these temporary Establishments. (A true Extract)

L.D.S
Passed

Under Sections 53 and 56 (a) of the Civil Pension Code, His Excellency the Governor in Council is pleased to grant to Kannuri Virraju, late Revenue Inspector, Ellore Taluq Kistna District, a Superannuation gratuity of Rs (270) two hundred and Seventy to which he is entitled for his qualifying superior service of 9 years and 18 days.

Kannuri

2. Kamri Verragu – not having been in Government employ when entertained as Mozumdar of Ellore, his case does not fall within the scope of Section 18 of the Pension Code or of G.O. dated 22nd February 1872 No. 333 and as pension has been refused to other Officers similarly situated the Government regret they are unable to comply with the Collector's recommendation in his behalf –

J.

This is not altogether correct. My attention being drawn thereto to the point raised the Coll. [illegible] a precedent for the applicant upon other grounds.

J.

Note

This seems a hard case but the rules do not admit of his getting a pension.

He has presented a petition saying he ~~has~~ is fit for further service. No medical certificate of unfitness has been received. – He is now 63 years of age, and therefore hardly likely to be an active Revenue Inspector.

PROCEEDINGS of the MADRAS GOVERNMENT.

Read the following letter Papers

From the Collector of Godavery District, dated 3rd October 1872 No. 353

Do. Deputy Accountant General, dated 8th May 1873 No. 70

Order thereon 29th July 1873 No. 384

Kameri Virrazu was first entertained in the Public Service on the 18th August 1822 but was dismissed for negligence on the 12th December 1825. The service prior to this date is consequently forfeited under Section 46 of the Pension Code.

In July 1851 he was appointed as Mozumdar of Ellore an estate which had been purchased by Government and, with the exception of a Short interval when he acted as Tahsildar, he remained in this post until November 1862 when he was appointed Revenue Inspector.

It appears that the service as Mazumdar was on an Establish-ment subject to annual sanction and therefore nominally "temporary" and not qualifying for pension under Section 17 of the Pension Code -

The Collector of the Godavery District strongly recommends the case for favorable consideration and cites G. O. dated 22nd February 1872 No. 333 Revenue Deptt but as the Collector is incorrect in stating that Virrazu was in Government service when sent to Ellore the order quoted is adverse rather than favorable to his claims

The Service however though nominally ~~extra~~ temporary was practically permanent as the Government

in

in 1853 called for the submission of
Complete Moyen Zabita which woul
supersede the necessity for the tempor
Establishments and though their san
of the final sanction was deferre
pending a general revision of Estab
-ment, the Government have directed in
G. O. dated 17th December 1870 No. 711 tha
the delay should not operate to bar
claim to pension -

Accordingly His Excellency
the Governor in Council resolves to grant
a superannuation pension of Rs (10) ten
per mensem from 1st January 1872 to
Ramsi Virrazu, late Revenue Inspector
Ellore Taluq, Godavery District -
