I, Surgeon Major George Smith M.D.
Physician General Hospital, do hereby certify
that I have carefully examined A. Comara-
-Lamy Moodelly, Deputy Superintendent
of the Madras Light House; that his age is
by his own statement 58 years; that from his
appearance the statement is likely to be true;
and that I find him to be unfit for further
service in consequence of weak action of the
heart and general infirmity (which prevent
his performing his present duties, which require
that he shall superintend and inspect the
cleaning of the reflectors, machinery &c.
of the Light House, for which purpose he
must go up to the Lantern four times in
the 24 hours, that is twice by day and
twice by night). His present Condition
is not, in my opinion attributable to
intemperance or other irregular habits.

No 4058

Forwards Supplementary
Memo from the Dy. Master
Attendant relating to
sanction application of
A. Comara-moodelly, Deputy
Supt. of Light House & L.H.
Madras.

Explanation furnished by the Deputy Superintendent of the Madras Light House, with reference to the questions put by the Deputy Accountant General in Memorandum of 29th May last.

Question
I.

The 15th of September was the date of appointment of the Applicant, to act for Sadaswa Moodelliar, the permanent incumbent, who was then sick.

1st March 1858, was the date of confirmation of the Applicant, in the acting appointment.

Sadaswa's name must have been entered on Return of 1st May 1857, as the permanent incumbent, although sick and laid up at the time.

II.

The Applicant acted as Deputy Superintendent from 15th September 1856 to 28th February 1858.

(a) the appointment of Deputy Superintendent was fully vacant, by permanent incumbent being sick, and unable to attend to his duties personally.

(b) the permanent incumbent was since pensioned.

(c) the full pay was drawn in the name of the permanent incumbent, and divided between himself and the Applicant, who was his substitute.

(d)

Recd. No. 412 of 1853.

(d) the confirmation of the appointment of Deputy Superintendent on the Applicant was on the 1st March 1858 with retrospective effect.

III.

In the absence of an Horoscope in Applicant's Case, as usual with Hindoos he fully believed the Age assigned him by his Elders, and without any suspicion whatever reckoned accordingly in April last to be 46 Years, as per list furnished, but subsequent to that date the Horoscope of a Cousin of his (who died in the month of November last) having turned up (the existence of which applicant was not before aware of) disclosed the real age of the deceased whereby the Applicant is now enabled to reckon his age as 58 Years, as it was always admitted in his family that the deceased was only a Year younger than Applicant, and believing the same to be true beyond a doubt he deemed it just and proper to declare it as such.

The Inspector General's confirmation

of the applicants' Medical Certificate has also been obtained. -

The delay in forwarding this Explanation
is owing to the Applicant having been laid up
with Fever.

Sir

I have the honour to sub-

mit an application for pension
for A. Comarasaamy Moodelliar,
late Deputy Superintendent of the
Madras Lighthouse. He first joined
the Medical Store Department on the
3^d September 1846, but resigned his
post on the 3^d July 1854. He again
entered the service as Deputy Super-
intendent of the Madras Light-
house on the 15th September 1856, and
continued in that appointment up
to the 30th April last, when he was
removed from the effective list, being
incapacitated

Recd. No. 412 of 1873.

incapacitated for further service.

2. The responsibility involved in the supervision of the Madras Lighthouse is great, which the Deputy Superintendent shares to a large extent with the Superintendent. He takes his turn in attending at the Lighthouse both day and night in all weathers, exercising redoubled vigilance during the monsoons to ensure the proper burning of the light. The task of ascending and descending the Column of the Lighthouse is no light matter, and this A. Comarasawmy Moodelliar is declared in his Medical Certificate unable to perform any longer. In short the nature of the duties is such that much personal discomfort and bodily fatigue are experienced, under which I have reason to believe he has broken down after a comparatively short service, the period of which is 16 years 7 months and 16 days

days, having discharged his duties all that time with zeal, energy and honesty. Not a single complaint was brought against him, and it is worthy of note that he had no leave whatever throughout his service.

3. In consideration of the foregoing circumstances, A. Comarasawmy Moodelliar craves that he may be allowed the benefit of the period he served in the Medical Store Department, which he has forfeited, and I beg strongly to recommend his case to the favourable consideration of Government. If the boon solicited be granted him, the total period of his service will be 24 years 5 months and 16 days, but even then he will not be entitled to a half pension, which is only allowed after a service of 25 years. Nevertheless, I earnestly trust that such a trifling deficiency as 6 months and

and 14 days will not be allowed to bar him from a reward, which all Government Servants look forward to when incapacitated after rendering good and faithful service, and that the Government will be pleased to sanction a pension of $10\frac{1}{2}$ Rupees per mensem to A. Comarasawmy Moodelliar, late Deputy Superintendent of the Madras Lighthouse, which will be chargeable in full against Port Funds.

I have the honour to be
