Dated 6-8-1873.

Proceedings of the Madras Government, Pension Department, 6th August 1873.

Read the following papers :—

From the District Engineer, Chingleput, dated 16th December 1872.
,, Deputy Accountant-General, dated 23rd June 1873, No. 154.

ORDER THEREON, 6th August 1873, No. 389.

The Deputy Accountant-General certifies that Conjeveram Annamala Moodelly is admissible to a pension of Rupees 20-9-9, or one-third his average pay; but it appears that, in calculating his service, a period of years 9-9-27 has been omitted under Section 38 (*b*), notwithstanding the explanation in the record that a Maistry in those days did very much the same kind of work that a Taluq Overseer now does.

2. As pointed out in G.O., dated 4th July 1873, No. 337, Pension Department, service of this kind must be reckoned as in a superior grade, in which case applicant's service amounts to years 24-11-21, or only nine days short of the period which qualifies for a pension of half-pay; and, under the circumstances, His Excellency the Governor in Council resolves, in consideration of the very brief interval by which the applicant's service falls short of the period which would entitle him to half-pension, to submit his case for the favourable consideration of the Government of India under Section 75 of the Civil Pension Code, with a view to the grant of a pension of Rupees 30-14-7, equal to a moiety of his average salary for the last five years; and, pending the sanction of the Government of India to the above grant, to confer upon Conjeveram Annamala Moodelly an invalid pension of Rupees (20-9-9) twenty, Annas nine, and Pies nine per mensem, to which he is clearly entitled under Sections 49 and 56 (*b*), with effect from the 15th December 1872.

Sir.

Referring to your No. 290. dated the 10 Instant forwarding a copy of the Deputy Accountant Generals letter of the 19 April 1873, seeking further information respecting the service of the late Overseer Annamalay Moodelly. I have the honor to give the following answers to the questions put therein.

I 1. There was no degradation, the designation was merely altered from Sub Overseer to Maistry and the designation Sub Overseer altogether done away with.

2. His duties as Maistry were exactly similar to what they had been when he was called Sub Overseer.

3. The Maistry had charge of the works of a Taluq under the Range officer and was required to do very much the same kind of work that a Taluq Overseer now does.

4. The designation Maistry was in use from April to June 1863, and was superseded by the designation Taluq Overseer applied to such Maistries as had the good fortune to be retained in the service.

II ×It was ×necessary to relieve× the Overseer of his charge & this was most expeditiously done only requiring 3 days.

With reference to the correspondence
0th noted in the margin on the subject
873 of the late Overseer C. Annamalay Moody's
D. Application for pension I have the honor in reply to the questions put in the Deputy Accountant General's letter to state as follows:—

1. Answer.— Being ignorant of any rule on this point Annamalay Moody's period of service as Maistry being in an inferior grade to that of Overseer which he afterwards held for years 15 " 5 " 14 the first period of years 10 " 1 " 1 was reckoned as inferior & the other as superior.—

2. Answer.— As a superintendent of works under the orders of a superior.—

The reduction of grade in question was not intended as a degradation but was the result of a reorganization of the Department in 1863.x

x The order could not be found in the records of this Office

Question No 3 Answer - Annamalay Nood states in the enclosed letter that he was promoted to Sub Overseer in April 1857 & not in June 1857 the Range register is in this matter in accordance with the statements of the Overseer I cannot of course vouch ~~of course~~ for the authenticity of this register -

4th Question - Answer - The above is an answer to this question also -

Question No 5 - Answer - There is nothing in the register that will enable me to answer this question & the Applicant on being questioned states that he does not know why his name did not appear either as Maistry or in the Maramut Establishment in the year 1856 - The Collector was applied to for this information in my letter No -1637 of 6th March/73 but as yet no reply has been received - —

Question 6. Answer - The orders in connection with the suspension of applicant for six months in the year 1853 are not in this Office the Collector has also been applied to for these in the above noted letter without receiving reply. —

The information which the Accountant General asks you to procure from the Collector in the concluding para of his (the Dy Acct General's) letter has also been applied for but with the same result. I would therefore to prevent further delay in this matter suggest that a letter from you on the subject will be more likely to meet with attention from the Collector - —

It appears from the report of the Vernacular Record Keeper, that the non-appearance of either the Applicant's name as Maistry or the Maramut Establishment in the annual return of 1st May 1856 is owing to the transfer of that establishment to the Engineer Department on the 1st January preceding.

1. Was the designation Sub Overseer altogether done away with and Maistry substituted?

2. Was the appt. as Maistry an Artificer, or foreman over a gang of Coolies? or were his duties similar to those of a Sub Overseer which appt. he held before he was made Maistry

No. 390.

FROM

THE HON. W. HUDLESTON,
Chief Secretary to the Government of Fort St. George,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
FINANCIAL DEPARTMENT.

SIR,

I am directed to transmit, for the favourable consideration and orders of the Government of India, the marginally-noted Proceedings, recommending the grant to Conjeveram Annamala Moodelly of an invalid pension of Rupees 30-14-7, equal to half his average salary, in lieu of a pension of Rupees 20-9-9, equal to one-third of his average salary, under the circumstances stated therein.

6th August 1873, No. 389.

I have the honour to be,
Sir,
Your most obedient servant,

Chief Secretary.

OOTACAMUND,
6th August 1873.

Proceedings of Government, Pension Department.

Read the following papers :—

From the District Engineer, Chingleput, dated 16th December 1872.
" Deputy Accountant-General, dated 23rd June 1873, No. 154.

ORDER THEREON, 6th August 1873, No. 389.

The Deputy Accountant-General certifies that Conjeveram Annamala Moodelly is admissible to a pension of Rupees 20-9-9, or one-third his average pay; but it appears that, in calculating his service, a period of years 9-9-27 has been omitted under Section 38 (*b*), notwithstanding the explanation in the record that a Maistry in those days did very much the same kind of work that a Taluq Overseer now does.

2. As pointed out in G.O., dated 4th July 1873, No. 337, Pension Department, service of this kind must be reckoned as in a superior grade, in which case applicant's service amounts to years 24-11-21, or only nine days short of the period which qualifies for a pension of half-pay; and, under the circumstances, His Excellency the Governor in Council resolves, in consideration of the very brief interval by which the applicant's service falls short of the period which would entitle him to half-pension, to submit his case for the favourable consideration of the Government of India under Section 75 of the Civil Pension Code, with a view to the grant of a pension of Rupees 30-14-7, equal to a moiety of his average salary for the last five years; and, pending the sanction of the Government of India to the above grant, to confer upon Conjeveram Annamala Moodelly an invalid pension of Rupees (20-9-9) twenty, Annas nine, and Pies nine per mensem, to which he is clearly entitled under Sections 49 and 56 (*b*), with effect from the 15th December 1872.
