*Proceedings of the Madras Government, Pension Department,
8th August 1873.*

Read the following papers :—

From the Clerk of the Crown, dated 10th June 1873.

„ Deputy Accountant-General, dated 15th July 1873, No. 192.

ORDER THEREON, 8th August 1873, No. 400.

The present applicant for pension was thrown out of employ by G.O., dated 2nd May 1873, No. 692, reducing the establishment of the Clerk of the Crown who reports that he has no means of providing him with another post. He has served for twenty-five years in superior grades, but six months must be deducted from the period of service qualifying for pension owing to his having been under twenty-two years of age when first employed.

2. He appears always to have borne a very high character, and as he lost his employment by reduction of establishment for the advantage of Government, and as his superior qualifying service falls short by so brief an interval of the period which would entitle him to half-pension, the Governor in Council resolves to submit his case for the favourable consideration of the Government of India, under Section 75 of the Civil Pension Code, with a view to the grant of a pension of Rupees 52-8-0, equal to a moiety of his salary for the past five years, and, until the decision of the Government of India is communicated, to grant to Coratoor Sonagery Moodelliar a compensation pension of Rupees 35, to which he is clearly entitled under Sections 47 and 56 (b) of the above Code, with effect from 1st June 1873.
