ORDER THEREON, 8th August 1873, No. 402.

The present applicant, V. C. Narrainsamiah, applies for permission to refund a gratuity and thereby be enabled to count previous service for pension.

2. He was thrown out of employ on the reduction of the Pay Examiner's Establishment in 1866, and drew a gratuity of Rupees 75 in five monthly instalments.

3. He was re-employed in the Office of the Examiner of Medical Accounts on the 21st February 1868, and, on the 18th November 1869, he expressed his desire to be allowed to refund the gratuity, with reference to Financial Resolution, No. 3074, of 8th September 1869, but was* informed by the Controller of Military Accounts that the notification did not bear upon his case, but referred only to servants re-employed before the 15th September 1862. Instances, however, having

* Letter to the Government of India, dated 9th August 1870, No. 337, and reply, dated 10th September 1870, No. 3393. recently occurred in which a relaxation of the rules on this point has been permitted,* he has repeated his request, and it has been forwarded with the favourable recommendation of his immediate superior, the Examiner of Medical Accounts.

4. Under Section 92, Rule 1, the intention to refund must be stated immediately on re-employment.

5. In the present case it was stated one year, eight months, and twenty days after re-employment. The application then made was rejected, as above mentioned, without submission to Government, and, as the applicant can hardly be considered responsible for the subsequent delay, His Excellency the Governor in Council resolves to submit his case for the favourable consideration of the Government of India.

6. This Government have already expressed their opinion that the rule restricting the privilege of refunding to servants re-entertained before September 1862 was a hard one.

Sir

I beg leave very respectfully to submit the following brief statement of my case for your good and humane consideration and if necessary for submission to Government with your recommendation through the usual channel.

2. You are aware of my having about the latter end of 1869 applied to you, informing of my desire to regain my past services of five years in the late Compiler's Department of the Pay Examiner's Office by refunding the gratuity without me on the reduction of that Department and that you were thereupon pleased to bring my case to the favorable consideration of the Controller of Military Accounts, but that Officer declined to comply with your recommendation on the score of my not having refunded the gratuity immediately after my re-employment in the Public Service. Agreeably to the Notification published at page 164. of the Fort Saint George Gazette of 26th July 1864.

3. I really regret to inform you that I was quite unable to refund the gratuity immediately after my re-employment, placed as I was in pecuniary difficulties caused by

by the demise of my father combined with Law suits &c.
then finding in the High Court against me and my
family and it can be better imagined than described that
under the peculiar circumstances as above stated whether
I was able to refund the gratuity at once on my re-entertainment
in Public Service after having been without
employ for a year.

It is a very unfortunate circumstance in this
hard time for service, that I should lose a service of five
years simply because I was unable to refund the gratuity
immediately after my re-entertainment. Now I would
beg to draw your prominent attention that the inability to
refund was caused by unforeseen and accidental circumstances
and not by any wilful negligence.

I understand that the spirit of the above
Notification has been relaxed in the cases of persons falling
under the same category as mine Vide Proceedings of Madras
Government No. 431 of 18th August 1871 and 530 of 18th Dec 1871

Under these circumstances I venture
to solicit your kind support and advocacy
in the matter as I am now prepared to refund
the gratuity either in full or in part as you
may think proper.

For this act of kindness from your

hands I shall every pray

The Controller of Military Accounts

I have the honor to forward a letter from
V. B. Narrainasamy a Clerk in this Office. He
was thrown out of employment in 1866 owing to a
reduction in the Comptroller's Department, Pay Examiner's
Office. In 1869 I brought his case to your notice,
requesting that with reference to Financial Resolution
No. 3047 of 8th September 1869 published in Fort
Saint George Gazette, page 422, of 28th September
1869, that he might be allowed to refund the
gratuity he received and to gain his former
Service (five years) for pension. In reply you
stated that the indulgence could only be claimed
by Clerks reemployed under Government

before

before 15th September 1862.

2 He was reemployed in this Office in 1868 and was unable to repay the gratuity he had received at that time and does not strictly come within the scope of the order granting the indulgence. But I venture to solicit a reconsideration of his case which is very similar to those stated in Proceedings of Government, Pension Department, No. 550 of 18th October 1870 and No. 434 of 18th August 1871. In these cases the request to be allowed to refund was granted and I trust that V. C. Narraindamiah may be granted the same indulgence.

Under Section 92
Rule 1 the intention to

submission to Government
and under the circumstances
- as the applicant can
hardly be considered
responsible for the subsequent
delay in making the
refund. ^{the Government in}
^{the case of the} ^{conflict resolves to} ^{submit}

The ground of
its rejection was that
his case did not fall
within the scope of
Financial Resolution
of 8th Sept 1869 No 3074
which referred only to
servants re-employed
before the 15th Sept 1862.

In referring three
somewhat similar cases
for the favorable consid-
eration of the Govt of
India in August 1870 this
Govt remarked that
they considered the rule
restricting the privilege
of

of refunding to sew and
re. entertained before
September 1862 to be a
hard one.

Applications
of this kind seem generally
to have been favorably
considered and if the
case had been submitted
for the orders of Govt.
in the first instance, there
seems little doubt but
that the prayer would
have been granted; one
M. Nagaric re-employed
in 1864 having been per-
mitted to refund in 1870.

In a case of this
kind in 1871 the Govt.
passed final orders, but
the Pension Code having
since been issued, a re-
ference to the Govt. of
India seems necessary
under the provisions of
Section 75.
