Sir,

I have the honor to forward herewith an application for an invalid gratuity on behalf of Ellore Balaji late Duffadar of Yernagudem Taluk.

2. The period of his Services amounts to $26^{y}-10^{m}-16^{d}$, of which Y21-11-16 have been verified by records but the records appertaining to the remaining period are not forthcoming

3 To prove that his Services were continuous, an affidavit was taken from the applicant and the evidence of two Contemporary Employes obtained. Translations of these are herein Enclosed.

4 The applicant was reduced from service by the Sub Collector on the 1st February 1872 but the usual medical Certificate of the man's unfitness for further Service was not obtained as it ought to have been. I inclose one dated the 1st April 1873.

5 It will be seen that the applicant's services before 20th March 1847 were, he states, in the Kistna District, but the Collector there tells me that he has no records to prove them. I cannot think that Balaji's first services as peon in attached estates or as temporary peon in the Huzur Count for pension, and as his other Services are under 35 years, I beg to recommend 6 months gratuity.

6 The applicant was reduced on February 1st 1872 and he applied for pension on March 22nd 1872. There was no delay on his part. Different references that had to be made have prevented this application being sent before.

Period of Service in each Grade

About 40 years ago, I was first employed as a peon on four rupees under the Manager of 6 Parganas, Viz Niddavole, Pentapad, Bakarzalli, &c, when they were attached by Mr Dent the late Collector of the Masulipatam District on the death of Rajah Venkata Narsimha Apparao Bahadar Zemindar of those Parganahs.— I do not recollect the year, — date, &c, but I held the post for - - - - 7 --

Soon after those estates were released from attachment, the then Collector of the Masulipatam District employed me as a peon in the Sayer Establishment of the Nandigamah 7 --

While I was holding this post, I was promoted to another one on 5 Rupees as an assistant to the Huzur Duffadar who was then specially deputed by the then Collector of Masulipatam to prevent the occurrence of thefts in the Taluks of Ellore and Nuzid. I do not recollect the year, date, &c. I held it for - - - - 2 .. ..

I have thus served the Government; of which period 11 years are in the Masulipatam District, and 25 y - 9 m - , as I recollect, from April 1846 to January 1872 in the Yernagudem Taluk. It is impossible for me to produce any documentary proof for my above Statement, because the orders &c of my appointments were burnt with the house I occupied at Yernagudem about 16 years ago. The fact of my upright walk in the public Service and of the period thereof, as alluded to, is known to the authorities. I therefore pray that a pension may be granted to me from the month of February of this year.

I do not know whether there are accounts in the Masulipatam Collectors office to show my 11 years' Service there from my 1st Entertainment; but I rendered my Services in the Yernagudem Taluk as a peon and Duffadar for 25 years and 9 months from April 1846 to 1st January 1872 without any break. The Takids, Pay abstracts &c, that could bear out this Statement, will be found among this Taluk records. I pray for their perusal and the grant of a pension to me. I have heard the Statement; it is Correct.

Statement given by Balaji late Daffadar of the Yernagudem Taluk.

I have served the Government for upwards of 36 years. Of this period I served for 11 years in the Taluks of Nandigama Ellore and Drumagala attached to the late Masulipatam District. I first entered the Service in the Nandigama Taluk. I held a peons post in the Ellore and other Taluks. Afterwards Mr Forbes the then Sub Collector of the Rajahmundry District favored me with a peons post on Rs 4, on 18 April 1846. From this date to the End of January 1871 i.e. 25 years and 9 months I served in this Taluk. I held

Probably 1872
W.S.T.

a peons grade on 4 and 5 Rupees pay for some period and that of a Duffadar on 7, 10 & 12 Rupees pay for a time. I further held a similar rank on 8 Rupees from November 1862 in which the new arrangement of Taluks was carried out to the End of January 1871, when I resigned my Service. I gave a Statement in November 1872 detailing the probable period of Service in Each post out of whole period of 36 years and upwards. That Statement will Shew the details of my Case. The orders &c for the appointments I held and the Testimonials I obtained were burnt with my house about 16 years ago. I am therefore unable to mention the particulars of dates of the Several appointments I held. This fact I have mentioned in the Statement previously given by me.

The Pay abstracts of the Taluk will Shew my Service to be 25 years and 9 months from 18th April 1846 to the End of January 1871. Besides this I can prove the fact of my having rendered Service as above detailed, by Mogante Madha varoydu and Sheik Masud Sahib who are the peons of the Said Taluk and who have served a long time with me. I have no others proofs than these. I cannot prove by any one my 11 years Service in the Masulipatam District because it was

long

long ago, but I can prove the fact of my having served as a peon in the Ellore Taluk by the said Moganti Mahadhavaroydu (a peon). I cannot substantiate the fact of my service in other Taluks by any one. I cannot say whether the accounts of the Ellore, Nandigama Munagala Taluks can show my service there. I have heard the statement it is correct.

Statement given by Sheik Masud a peon on the Yernagudem Taluk Establishment and an inhabitant of Yernagudem.

I am now about 60 years old. I do not know the particulars of dates but from my first entertainment in the Government Service to this day the period of my service is 43 years. About 20 years ago, when I was holding the post of a Daffadar in the Mogalturru Taluk, I was transferred from that to a similar one in the Yernagudem Taluk on equal pay Vizt Rupees 7-0-0. Ever since I have remained in this Taluk. My habitation is in Yernagudem. I know Yelur Balaji a resident in this Village This man was employed as

a

a peon for some time and afterwards as Daffadar until the end of January 1891 when he gave up his post with a view to apply for pension. It is a fact that his service has amounted to upwards of 25 years but I am not aware of the particulars of the dates of his several appointments. Moreover I heard often from him that he had served as a peon in the Masulipatam District for 10 years previous to 1846. I know nothing more. I did not know the several places he had served in Masulipatam District and what amount of service he had in each grade. I did not see him while serving there. I have heard the statement; it is correct according to my dictation

Statement given by Moganti Madhavaroydu a peon of the Yernagudem Taluk and an inhabitant of Yernagudem.

My age is at present 50 years I got a peons post in this Taluk in 1847 ie in the time of Mr Forbes the then SubCollector. I have held the same post upto this day. My service has amounted to 27 years to this date. I have been acquainted with the Duffadar Elur Balaji who has resigned the post with a view to applying for pension. He is also an inhabitant of Yernagudem. In the time of Mr Forbes the then SubCollector and before my entertainment in the Service ie in 1846 he was employed as a peon on 4 Rupees and held it for some time and a similar post on 5 Rupees for a similar period. He held afterwards a Daffadar's post on 7 & 10 Rupees for a time, and then a like one on 12 Rupees for a period upto 1862 in which the revision of the Taluk Establishment was made. He also held a post of the same rank on 8 rupees upto January 1871 when he resigned the appointment. All this service comes upto upwards of 25 years and I mention this as a fact. I do not know the particulars of the dates. Besides this I heard that he was employed for about 10 years as a peon in the Ellore and Nandigama Taluks attached to the Masulipatam District. Further whenever I went to Ellore I used to see him there while holding a peons post in that Taluk. On the whole he served as a peon in the Ellore Taluk for 6 years. I do not know how long he served in the other Taluk of Nandigama and Munagala. As it appears that he was employed as a peon for about 6 years in the Ellore Taluk, I mention the same. I have heard the statement it is correct.
