Sir,

Cotacamund.

With reference to Para 2 of
G. O., Nos 325 and 335, Pension Depart-
ment, dated 25th June and 14th July 1873,
I have the honor to state that,
Service Books were supplied to
all the Servants in the District,
generally Peons have been found
unable to fill up the Registers, as
they could not give complete
account of their Services. On the
representations

representations of the several
Heads of Departments as to the
difficulty felt in preparing the
Service Registers of the Peons, they
have been called upon to collect
information regarding them from
the several Offices in which they
served, and to refer to the Huzur
for the verification of services.

2. Under these circumstances,
the work of preparing the Service
Registers of all the inferior
servants of the District has fallen
on the Huzur Establishment.
They are now under active
preparation. Many have been
already completed. Steps have been
taken to complete the rest as
soon as possible.

3. For these reasons, the Register^{B-15}
of Bonima Ganadi, Attender
in the Sherista Department,
and Kasim Valad Abdul
Khader Peon in the Udajagiri
Taluk, were not prepared prior
to their retirement.

I have the honor to be,
Sir,

Your most obedt servant,

J. S. Jale
Acting Collector.
