I. H. J. van Someren M.D. Surgeon Major, 1st District, do hereby certify that I have carefully examined Mahomed Esoof late a peon in the Registrar's Office of the High Court Original side, that his age is by his own statement 81 years and by appearance 80 years, and that I find him to be unfit for further service from old age and infirmity, the result of advancing years, not in my opinion attributable to intemperance or other irregular habits.

The applicant at the time he left the Service in September 1862 was aged and infirm and incapacitated for further Service. He resigned and his son was appointed in his place.

The delay in the Submission of this application has arisen from the fact that the Petitioner did not until about two years ago make any claim for pension or gratuity.

Has the honor to state in reply to his Official Memo No 23 dated the 17th instant that the petition of Mahomed Cassim for pension therein referred to has already been disposed of by him.

By the Office records and other documentary evidence it appears that Mahomed Cassim has not Served the full period which entitles him to pension. The Registrar therefore does not feel justified in forwarding an application to Government for the same on his behalf. The Petitioner has several times been informed of this.
