*Proceedings of the Madras Government, Pension Department,

Read the following papers:—

From the District Engineer, Nellore, dated 26th May 1873.

Do. Deputy Accountant-General, dated 16th July 1873, No. 194.

—

ORDER THEREON, 15th August 1873, No. 421.

Under Sections 53 and 56 (c) of the Civil Pension Code, His Excellency the Governor in Council is pleased to grant to Arany Cundappah, late Pennair Anicut Superintendent at Nellore, at superannuation pension of Rupees (27-4-0) twenty-seven and Annas four per mensem, payable from the 1st June 1873.

2. The Collector's explanation shows clearly that applicant's services, from the 1st August 1844 to the 30th June 1855, should have been entered in the annual returns as "Maistry," and not as "Bricklayer Maistry." Under these circumstances, a reference to the Government of India is unnecessary as already pointed out in G.O., dated 4th July 1873, No. 337.

Questions by
the Accountant
General.

Why is the appointment shown in the history of service as Braistry, while he appears in the Annual returns as Bricklayer Braistry and Office as Bricklayer Braistry and what was the nature of duties he performed as Bricklayer Braistry?

Replies.
1. The name of "Bricklayer Braistry" may be a clerical error, but as all the old Taluk Braistries were generally selected from the grade of Bricklayer Braistry, they used to be called sometimes by the latter designation. The nature of the duties performed by Gundapan were almost similar

Sir. In reply to your Memo. No. 449 of the 21st June, I have the honor to furnish the following information called for by the Accountant General on the late. Ancient Superintendants' application for pension.

to those now performed by Taluk Overseers.
Viz. Superintending the construction and
repairs of all buildings sluices, Calingala,
Tanks, Bridges etc. in the Taluk.

2. The "degradation" was no degradation
but a transfer from the Office to the
Executive branch, in which better promo-
tion could be obtained for one possessing
professional training

From a true copy of a Certificate granted
by the then Civil Engineer Captain
Boileau on the 14th January 1856, which
is attached, it will be seen that the
transfer was at Gundappa's request

With reference to para 3 of the Accountant

and submitted

What was the cause of the Applicant's
degradation on 14th January 1856.

Landaffah was
 Maistry in the Civil Engineer's
 Office 2nd Division for
 about 18 months, while I was
 in charge of the same, he was
 then promoted to the Office
 of Estimate Maker and Drafts-
 man which he held for 8
 months, when at his own request
 he was appointed District
 Superintendent.

I always found this man
 of great assistance to me,
 as he was clever at his duties
 and active in the performance
 of them.

Explanation shows clearly
that applicants services
from the 1st August 1844 to
the 30th June 1855 should have
been entered in the Annual
Returns as "Maistry" and not
as "Bricklayer Maistry".
Under these circumstances
