1867, and 1869 to 1873, instead of Bendury
Venkayya as shown in the Register of
Application? Please state which of
the two names is correct.

1. The house name of the Applicant is Penuari & Penuari, but the former is correct.
2. The service book has not been prepared, because I have received none. I may however observe that these may be dispensed with in the case of people that have just retired or are about to do so, because the information required to be inserted in the Books is unlikely to be completely obtained. In the present case, the book has not been furnished to the applicant as contemplated by para 4 of Rule 69

Deposition given by Bendayten Kayya
late attendant of the Nagar Establishment
after making a solemn affirmation.

I was entertained as a Raktuan
(Suk maker) on Rs 7 salary on the Nagar
Establishment on the 13th November 1889,
which post I held up to the date of
Mr Pelly's new scale of arrangements
in 1890; but I don't recollect in
what month it took place. In the
course of the arrangement, the Rak-
tuan's post was done away with.

Immediately afterwards, I was fa-
voured with an attendant's post
on 7 Rs pay and continued in the
same post up to 4 years back. I was
promoted afterwards to a similar
post on Rs 8; this I held until
the date of my application for
pension. I was dispensed with on
8th May 1893. From my first entertainment
to the date of my retirement, I was neither
suspended, dismissed, nor reduced &c. I
can prove by Anasala Sulhaborn

and duty shall be that there was
no breakage from my superannuation
in the service up to the date of
application for pension. The whole
period of my service is 43 years,
my age being 64 years. I have heard
the deposition; it is correct.

Deposition given by Anasala Subba-
pura inhabitant of Coimbatore after
making a solemn affirmation.

I know Benda of Tenkayya. I was
employed as an Assistant Zaminar
on the Nagar Establishment in 1828.
From this year I was on the Nagar
Establishment for about 27 years. I
was afterwards transferred to the
Madras Sadgashah on the Kota Ra-
machandrapur Taluk Establishment.
This I held for about 9 years. I then
retired on pension. I do not remember
the month or year, but it was
during the revision of the Establish-
ment according to Mr. Pelly's scale.
Benda of Tenkayya now present before
the Court was employed in 1829 as
an inkman on P. 7 pay on the Nagar
Establishment. Before this his father
held a Raktman's post and then died.
This Tenkayya who is his son then
succeeded

succeeded him. He was holding the
same post at the time of my transfer
to Ramachendrapur Taluk and up
to the revision of the Establishment
according to Mr. Pelly's scale. Because
this post was dispensed with in that
arrangement, he was immediately
employed as an attender in the Nagar
on Rs 7. He held an attender's post
up to the date of application for pension.
He met with neither suspension, dis-
missal nor reduction &c. from his
first employment to the date of
his application for pension. I know
these circumstances well because
I was on the Nagar and District
Establishment for a long time and
because we are the inhabitants
of the same village. The said Venkayya
was an attender on Rs 8 pay on the
Nagar Establishment at the time of
his application for pension. I did
not

not know when he was promoted to
the post. I am 60 years old. I have
heard the deposition; it is correct.

Deposition given by Kuti
Malliah a Pensioner and an
inhabitant of Peanada after
making the solemn affirmation

I was employed as a Sayer
Mudatgar on the Nagpur Establish-
ment in September 1824 on 10 Popy
per month. I held the post for 4
years. I was afterwards trans-
ferred to the post of Sherista
Mudatgar which I held for
30 years. From this, I was made
vernacular Accountant. I am
held it for 6 or 7 months, I retired
on pension. On the whole, I
served in the Nagpur from 1824
to March 1860. Before my
entertainment in the Nagpur,
Bendang Lakshmagi had been
employed as Pustwan (Intendant)
on the same Establishment, and
on his death, his son Kutiiah
succeeded him. I recollect it

to be in 1829: the pay was 7 Rs.
He (Bukiah) held that situation
until Mr. Ellis's Scale of Establishment
was organized. As that
post was abolished by the
said pension of the Establishment,
he was immediately afterwards
made an attender. I remember
the pay was 7 Rupees. He held
that post up to the date of his
application for pension. I cannot
mention the exact date on which
the arrangement was made; but
it must have been, I think,
about March 1860. From the
Establishment of Bukiah in
the public service to the date
of his application for pension,
he underwent neither dismissal
nor suspension ~~see~~. I do not
recollect whether his pay was

7 or 8 Rupees at the time of
his application for pension.

I am well aware of the
circumstances above mentioned,
because we have been in-
habitants of one and the same
village.

I have heard the deposition;
it is all correct.
