- Official Memorandum

With reference to Memo dated the 14th instant the undersigned states that the services of P Adinabhai Kundali can be verified from the records of his office. From them it appears

From them it appears that P. Adumblam joined the office on the 1st April 1855, as a Clerk on Rupees 35 per mensem and that he held his appointment up to the 23rd August 1855.

2 P. Adinulam Mudali quitted the office because he was unable to travel with the Director of Public Instruction. As a clerk's services were necessary Adinulam Mudali relinquished his appointment, and it is believed that the Director promised to provide for him in the office on return to the Presidency. A vacancy having occurred in the Presidency College, Adinulam Mudali was provided for there. He was not dismissed the service, and his relinquishment of his appointment amounted practically to resignation.
