Pension DEPARTMENT.G.O. No. *445*Press
Mis.Dated *25-8-1873*Not to be folded or roughly handled

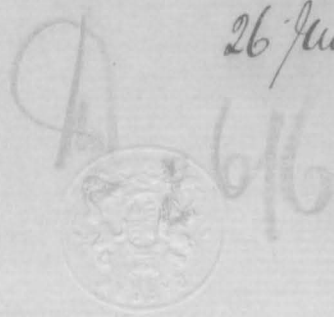

— I, E. F. Brockman Assistant Surgeon and Acting Superintendent of the General Infirmary Madras do hereby certify that I have carefully examined P. Sabapathy Acharry late Engine Turner in the Paper Stamping Department and find him to be suffering from Cataract of both eyes the result of old age (but in all probability hastened by close application to his work) which renders him unable to perform his duties. He is not likely to derive any permanent benefit from treatment or change of air. He is in my opinion unfit for further Service and to the best of my judgment such disqualification is not the result of intemperance or other irregular habits.
