*Proceedings of the Madras Government, Pension Department,
3rd September 1873.*

Read again Proceedings of Government, dated 2nd March 1869, No. 91.

Read also the following papers:—

From the Collector of South Canara, dated 3rd May 1873, No. 596.

„ Deputy Accountant-General, dated 15th July 1873, No. 191.

ORDER THEREON, 3rd September 1873, No. 457.

The Deputy Accountant-General certifies that Sheik Hoossain has qualified for a superannuation pension of Rupees 11-10-8, or one-third of his average salary for the last five years.

2. It appears, however, that in 1867 he was discharged from the Police as incapacitated for further service, and an application was submitted on his behalf for a pension of Rupees 13-1-0, one-third of his average salary for the previous five years. In the meantime, the post of Monegar of the Amindivi Islands, attached to the district of South Canara, fell vacant, and, great difficulty being experienced in finding a suitable man for an appointment of that peculiar nature, the Collector obtained the permission of Government for the employment of Sheik Hoossain, on the ground that, though disqualified for the active duties of a Police Officer, he had sufficient strength and energy to enable him to carry on the duties of a comparatively easy and sedentary situation.

3. Sheik Hoossain having thus been retained in the Government service on public grounds, the Governor in Council considers that he should now be allowed the same pension as he would have been in receipt of had exceptional circumstances not led to the withdrawal of his previous application, and resolves accordingly to submit his case for the favourable consideration of the Government of India, under Section 75 of the Civil Pension Code, with a view to the grant of a pension of Rupees 13-1-0 per mensem, and, until the decision of the Government of India is communicated, to grant to Sheik Hoossain a superannuation pension of Rupees 11-10-8, to which he is clearly entitled under Sections 53 and 56 (b) of the above Code, with effect from the 9th February 1873.

Chief Secretary to Government

Sir,

In submitting the accompanying application for pension on behalf of Sheikh Kuseen, late Monegar of the Amindivi Islands, I have the honor to seek the special consideration of Government to his case with a view to the rate of his pension being increased from Rs. 11.10.8 to Rs. 13.1.0.

2. The Government will perceive, on G. O. 5th Sept 1868 N^o 295 Pension Dep^t reference to " 15th Oct 1868 N^o 339 Public Dep^t their marginally noted orders, that the applicant was once already recommended for pension in 1867, and his case was under their consideration pending the submission of a Medical Certificate of incapacity for further

SEPTEMBER.

Granting a superannuation pension of Rupees 11-10-8 to Sheikh Hoossain, late Monegar of the Amindivi Islands, and resolving that an application be made to the Government of India for the grant of an increased rate of pension of Rupees 13-1-0.

service, which was called for.

3. Sheik Husen was at that time ready to take his pension, and I have no doubt that the required Medical Certificate would have been granted to him by the Medical Committee before whom he was ordered to appear.

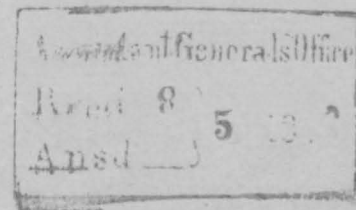

4. Being however at the time in need of the services of an experienced person to take up the post of Monegar of the Amindive Islands, and not finding a suitable man for employment in that capacity, I recommended the applicant for the post, and was permitted to retain his services in G.O. 2nd March 1869. No 91. Pension Dep^t.

5. Sheik Husen has since rendered 5 years' service as Monegar of the Amindives, and now retires being no longer able to discharge the duties of his office with efficiency. According to the Pension Rules he is now entitled to a smaller pension of Rs 11.10.8 per mensem, calculated on the average salary of his post as Monegar for the last five years; but had he been pensioned in 1867 when he was in the Police

59
and had service mostly on higher salary to count for the rate of his pension, he would have been entitled to a higher pension of Rupees 13-1-0 per mensem, calculated on the higher emoluments then received.

6. As the applicant was permitted to remain in the service of Government through no fault of his own, but in his own interests, I consider he is fairly entitled to the higher rate of Pension which he would have drawn had he not been re-employed in this Department. I have therefore the honor to recommend that Sheik Husen be granted a Pension of Rs 13-1-0 per mensem as recommended in the accompanying application.

I have the honor to be,

N^o 1. The necessary entry has been made
in Column 10 of the Statement of the
History of the applicant's service.

N^o 2. The entry of the Applicants ap-
pointment in the Audit Registers and
in the Pay Bills as "acting Monegar"
is a clerical mistake. He was appointed
as permanent Monegar of the Amindivi
Islands. Vide his appointment pub-
lished at page 18 of this District Gazette,
dated 18th January 1868, N^o 2, a copy
of which is regularly supplied to your
office.

N^o 3. The Monegar is stationed on the
Amindivi Islands which form a portion
of the Laccadive group, and does not
visit the mainland more than once
in the year during the pain season.
When he is on the Islands, his salary is
shown in the Pay abstract as withheld
and is subsequently drawn in a sup-
plemental Bill when he returns to the
mainland.

The Statement of the History of the Applicant's Service as given in the Application for Pension is perfectly correct, having been compiled from, and carefully checked with reference to the Monthly Pay Abstracts of the Establishment in which he was employed. The Service List furnished by the Superintendent of Police on the 30th November 1867 appears to have been an incorrect one, having been prepared from a return obtained by him from this office on the 21st September 1867, this return being a mere copy of the Service Register of the Applicant kept in this office, the entries in which were not checked or verified before the copy was supplied. Both the Clerk who prepared the Return, and the Head Servant who passed it, are dead.

2. Sect or Caste. This does not contradict the entry in the Application submitted by the Superintendent of Police who has given the religion only of the Applicant, omitting the Sect to which he belongs.

3. Height

3. Height. The difference of half an inch is probably due to the Applicant being further advanced in age - 15 8

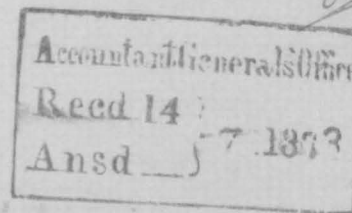

4. Age. The age entered in the Application viz: ^{was} 61-10-8, is correct, and corresponds with entries in previous accounts. That given by the Superintendent of Police is indefinite and incorrect, the Applicant having probably understated his age to that officer, as is customary with persons seeking employment in the Police.

5. Descriptive marks. A very full and complete list of the descriptive marks borne by the Applicant is annexed, and may be substituted for the description given in the Application submitted both from this office and that of the Superintendent of Police.

The Deputy Accountant General certifies that Shri K. Hoysani has qualified for a superannuation pension of Rs 110-8 or one-third of his average salary for the last five years.

It appears, however, that in 1867 he was discharged from the Police as incapacitated for further service and an application was submitted on his behalf for a pension of Rs 13-1, one-third of his average salary.

Order N^o 457 of 1873

Salary for the previous five years.
 In the mean time the post of
 moneyar of the Amundue
 Islands attached to the
 District of South Canara, fell
 vacant and great difficulty
 being experienced in finding a
 suitable man for an appointment
 of that peculiar nature, the
 Collector obtained the permission
 of Government for the employment
 of Sheik Hoossein on the
 ground that though disqualified
 for the active duties of a Police
 Officer, he had sufficient
 strength and energy to enable
 him to carry on the duties of
 a comparatively easy and sedentary
 situation.

Sheik Hoossein
 having thus been retained in the
 Government Service on public
 grounds

grounds, the Governor in
 Council considers that he
 should now be allowed the
 same pension as he would have
 been in receipt of, had exceptional
 circumstances not led to the
 withdrawal of his previous
 application and resolves accordingly
 to submit his case for the favorable
 consideration of the Government of
 India under Section 75 of the
 Civil Pension Code with a view to
 the grant of a pension of Rs 13-1-
 per mensem, and, until the decision
 of the Government of India is
 communicated, to grant to Sheik
 Hoossein a superannuation pension
 of Rs 11-10-8 to which he is clearly
 entitled under Sections 53 and 56 (b)
 of the above Code, with effect from
 the 9th February 1873.
