Proceedings of Government, Pension Department.

Read the following papers:—

From the District Judge of Rajahmundry, dated 2nd April 1873.

„ Deputy Accountant-General, dated 22nd July 1873, No. 213.

ORDER THEREON, 6th September 1873, No. 467.

Application is made for the grant of a superannuation pension to Vadlamannati Pantayya, late third Goomastah in the District Munsif's Court at Ellore, Godavery District. His total service amounts to eighteen years, ten months, and fourteen days; but deducting service in inferior grades and leave, his service qualifying for pension is only fourteen years, nine months, and twenty-four days, or two months and six days short of the period entitling him to a one-third pension.

2. The District Munsif appears to have included the leave enjoyed by the applicant and to have removed him from the service as incapacitated by old age, under the impression that he had completed the period entitling him to pension.

3. Although this period of leave is not allowed, under the rules, to reckon as qualifying service, His Excellency the Governor in Council considers that an exception may fairly be made in the present case, and resolves, in consideration of the applicant's good character, and the circumstances under which his superior qualifying service falls short by so brief an interval of the period which would entitle him to one-third pension, to submit his case for the favourable consideration of the Government of India under Section 75 of the Civil Pension Code, with a view to the grant of a pension of Rupees 3-10-8 per mensem, equal to one-third of his salary for the past five years, and, until the decision of the Government of India is communicated, to grant to Vadlamannati Pantayya a superannuation gratuity of Rupees (132) one hundred and thirty-two to which he is clearly entitled under the Rules, payable by monthly instalments of Rupees 3-10-8, with effect from the 1st January 1873.
